

On This Side Of The Sun

By Phat

THIS WAR!—The mild looking man was walking meekly behind three fur-bedecked women when a few sprinkles of rain fell. "Desert sunshine, bah!" said one of the women. "Palm Springs!" "Now, my dear," the man remonstrated. "We mustn't complain. These are war times." . . . Helen McCallum likes to tell about a teacher friend in Hollywood who struggled along on her meager salary. Then an alley cat adopted her and periodically presented her with a batch of kittens. She maintained the errant cat and her brood and one day a movie director saw them. Now the alley cat and her offspring are earning more for their mistresses in a month than she earns for herself in a year of educating the young. "What price brains?" asks Miss McCallum.

MUSIC—Was all elated this week when some one told me "Shoo Shoo Baby" topped the Hit Parade as I had predicted. I missed the broadcast last Saturday so didn't know. But some one else told me yesterday, when I started to brag, that "My Heart Tells Me" was still No. 1. Oh, well, tomorrow night, maybe. . . . At last the mystery of "Mairzy Dotes and Dozy Dotes" has been explained to me. It's just double talk est to music and is that old nursery rhyme "Mares eat oats and does eat oats" jived up. They say it makes people so mad they buy the sheet music just to see what it's all about. As a result, it's the biggest freak song hit since the days of "Yes, We Have No Bananas" and "The Music Goes 'Round and 'Round." I've got to thank City Clerk Louise McCarn for setting me right on that one.

THIS AND THAT—Mrs. G used to marvel at my two-fingered wizardry at the typewriter—until, with the boys grown and gone and Oscar the only household care, she took typing to while away the time. Now she laughs at my system. . . . Woody Herman was in town was in town last week, resting at the Casa Del Camino. "Don't write about me," he said. "But write all you want about my little daughter, Ingrid. She's wonderful!" Now, there's a man I like. Did I ever tell you about my two boys? . . . Mrs. Horstense Murray has a card advertising the "Los Palms hotel, Palm Springs, Fred Adler, manager." Her mother got it in 1921. The directory doesn't list that one now.

ODDS AND ENDS—In Chicago, a night spot advertises: "24 Beautiful Girls—No cover." . . . Have you your income form filled out? A San Diegoan worked on his for a week and then sat down and wrote Senator Sheridan Downey a letter: "I hope you roast in hell 1,000 years for every minute I suffered over this blankety blank income tax blank." At least, the San Diegoan did something about it. . . . There'll be six weeks more of winter. Feb. 2, Groundhog day, was bright and sunny and, according to legend, the groundhog saw his shadow and ducked back into his lair. Will have to ask Sam Hinton some time if there are any ground hogs around here. There are plenty of road hogs. . . . I intended to write that item last week and on Feb. 2 made a note of same as a reminder. But it wasn't until Feb. 9 that I was able to decipher my notes.

EATING—If I ever run a fountain restaurant, the first instruction I'll give my help behind the counter will be: "When a customer sits himself down and orders coffee, shove the sugar jar within reach." I'll also instruct them when apple pie a la mode is ordered, to put the ice cream on top of the pie, not alongside. Then the customer won't have to do his own loading. . . . They say there'll be less beef this spring. My punning friend says that'll mean more beefing by market patrons. . . . Says the cynic: "They have got this week-end's holidays reversed. Valentine's day which generally leads to marriage, should come before Lincoln's birthday, which is Emancipation day."

GOOD BYE—As the best typographical error of the week I like that one in a Wac recruiting appeal which read: "It is hoped many women will enlist to free soldiers for more active CUTIES." . . . Adolph Hitler has quit looking for the silver lining. All the clouds he sees are lined with Flying Forts. . . . Speaking of clouds, Villagers saw a rare sight the other night—a beautiful moon rainbow, with all of the colors up against a corner of the mountains.

Certificates Presented to Gray Ladies

Administering service to men in the armed forces is an art in which the heart and hand must work together with humility, understanding and unselfishness with personal satisfaction in a job well done as the only reward. Lt. Col. E. T. Thompson, Executive Officer of Torney General Hospital told Red Cross Gray Ladies Friday afternoon when 15 local women received their certificates from Col. A. B. Jones, Commanding Officer of the hospital.

"Life has a value only when it has something valuable as its object," said Col. Thompson. "Your object is service to the military forces—particularly to those who are sick. A large part of this objective is the alleviation of distress and mental suffering as contrasted with that of the physical, and there will be many instances when you will

Liquor Licenses Up Before City Council

At a special meeting of city council this morning at council chambers, 810 North Palm Canyon drive, the question of liquor licenses was again brought up as new applications were referred to council from the state board of equalization.

Following their policy, adopted last November seeking a limit on licenses in proportion to population, council acted to protest the new licenses.

Formal protests will be dispatched to the state board at once.

Village Booming Is Report

Reflecting greatly increased activity in Palm Springs, a report was submitted to city councilmen today by Ray M. Sorum, city manager.

Prepared by the city hall staff under direction of Mr. Sorum, the report revealed that in January, 1944, 25 building permits, totalling \$5,595.50 were issued against 9 in January, 1943, valued at \$1,420.00. In January, this year, 11 electrical permits were issued against one last year in the same month, 18 plumbing permits against 3, while sign permits were even, one each month.

FEES HIT RECORD

Total fees received in January were \$101.65, this representing the largest amount received in fees in any one month in the past two years.

Preliminary study is under way contemplating a complete revision of the permit and inspection system. A check of the city's building code with the uniform 1943 building laws is being made and changes in the city code to conform with the state-

Palm Springs fire department was called out yesterday noon but found that the blaze, located near the city dump, was under control and their work was not needed.

A marriage license was issued Wednesday in Riverside to Philmore G. Divine, 22, Palm Springs and LaVerne Morris, 19, Banning.

First Contest Develops In City Election

Coincidental with the official opening of the municipal election campaign today came announcement of the first contest, two candidates having announced intention to run in district number 3. Rumors of contests in three of the other four districts where councilmen will be chosen, have been heard with increasing frequency in the past week.

In district 3, now represented by Philip L. Boyd who is not a candidate to succeed himself, Gordon L. Feekings and Culver Nichols will oppose each other. Mr. Feekings announced his candidacy two weeks ago and Mr. Nichols said this week that he would enter the race.

THREE PETITIONS OUT

So far Mrs. Louise McCarn, city clerk, has issued only three sets of nomination papers but expects more papers to go out next week. So far Councilman E. E. Theriau of the 4th district, and Feekings and Nichols, candidates in the third, have taken out papers.

John Connell has announced he will seek re-election in the first district and Frank Cutler has indicated he will run for re-election in the fifth. No candidate has publicly announced himself yet in the second district, now represented by George Housman who will not re-enter the race.

CALL IS ISSUED

In the second district, represented by C. P. Adams and in the sixth, Mayor F. V. Shannon's district, there will be no election as

New Goal In Sight As Villagers Keep On Investing

A monster Victory parade and another premiere at the Plaza theater will mark the close of the Palm Springs Fourth War Loan drive as the Village celebrates its phenomenal success in not only being the first community in the state to reach its quota, the first in the nation to double its quota but also, probably, the only community in the nation to triple its quota.

The parade and premiere are scheduled for the evening of Feb. 15, the final day of the drive.

MILLION IN SIGHT

At a meeting of the war loan committee this week with Chairman Tom Holland at the Chamber

George Strebe did it again. As a result, Villagers who buy bonds and have bought them since Feb. 3 and asked for a ticket, will have a chance to see another great picture.

On Feb. 15, "The Sullivans," the story of the midwest family whose five boys were lost in the South Pacific, will be shown at the Plaza as a climax to the highly successful Fourth War Loan drive.

of Commerce offices, plans for the closing celebration were mapped and other details of the drive discussed.

Chairman Holland announced this morning that Villagers and winter residents had already invested \$870,841 in war bonds during the drive and that the new goal—third to be set for Palm Springs—of \$1,000,000 was believed to be in sight.

TO TOP ALL OTHERS

Col. E. T. Thompson, fourth war loan committeeman, who so ably handled the great parade which inaugurated the drive, has agreed to superintend the Victory parade closing it. He is lining up the same units which took part in the opening parade plus additional units.

That opening parade was termed the best in a long line of successful and inspiring parades but Col. Thompson has an idea the closing parade will be even better.

George Strebe of the Palm Springs and Plaza theaters announced late Thursday that "The Sullivans," a family portrait of the five boys who fought their

John Wilson Will Speak For Village

BY BOB HOOVER

John Wilson will represent Palm Springs high school in competition with the best orators of other high schools in the Seventh Annual Student Speakers' contest, staged under sponsorship of Lions clubs of California and Nevada.

Wilson was voted the winner as three finalists spoke before members of the Palm Springs Lions club yesterday noon at the Desert Inn. Other finalists were John Chaffey and McKinley McDaniels.

SIX IN CONTEST

The three finalists were chosen in elimination contests held earlier at the high school.

Six students entered the contest and gave their speeches before high school students last Friday. They were Lorie Lee Bering, John Chaffey, Jean Gilmore, McKinley McDaniels, Diana Hobb and John Wilson.

Judges who heard the talks and picked the three finalists were Francis F. Crocker, Dr. E. E. Oertel and Mrs. Carmen Simms.

FOR MANPOWER

All speeches were related to the theme "Winning the Peace for American Manpower" and each contestant was limited to between 5,000 and 6,000 words, with delivery time not less than eight minutes or more than ten. Speeches had to be memorized.

So well did all of the student speakers do that Miss Mary Louise Gaylord, faculty advisor for the contest, commented, "they all worked very hard and all of them deserve a lot of credit."

Mrs. Mary Dias, sister of Joe Felix of the Waikiki, arrived in Palm Springs last night from Honolulu to visit here for a few days.

High School Bond Sellers Raise Sights

BY BARBARA EMIGH

Having passed the \$150,000 goal set for them, the students of Palm Springs high school are now pushing toward a new \$200,000 mark. Latest bond sales totals for the high school, as reported on Wednesday, February 9, reached \$161,568.50.

In the class competition, the Sophomores are ahead with \$76,630, while the Juniors are a close second with \$75,592. The Freshmen have sold \$47,300 worth of bonds and the Seniors \$10,820.

Robert Hillery is leading individual competition with the sale of 60 bonds, totaling \$6,559.50. Barbara Dodds sold 58 bonds making \$19,837.50. Bob Hoover sold 38 bonds worth \$21,834.50.

One week remains in the War Bond campaign, and according to Henry Greeley, faculty adviser for the drive, the new goal of \$200,000 will be reached.

Nazis Don't Like Patriotic Themes On Prisoner Mail

In addressing mail to relatives in prison camps under German control, do not decorate the envelopes with slogans intended to promote the United Nations War Effort. The postoffice cannot accept them because the Nazis will not.

Postmaster R. M. Gorham received notices this week from headquarters that letters bearing such slogans as "V for Victory," "Buy U. S. War Bonds" and similar slogans, or postage stamps with patriotic themes will not be delivered.

Definite instructions on sending letters to prisoners of war may be obtained at the post-office.

Great Throng Celebrates Third Birthday of USO Here

Three-Day Affair At Hospitality House Big Success

(By ELOISE HIRT)

Like most three-year olds, we liked our birthday very, very much! And who wouldn't—with Palm Springs' number one citizen, Mayor Frank Shannon; Torney Hospital's number one officer, Colonel A. B. Jones; and the local number one Pfc. Jim Robinson, to light the red, white and blue candles on our big cakes?

After the candle business, of course there was cutting to do, the cutting of almost three dozen Happy Birthday cakes. And that part of the party we liked a lot, too, because it brought into the USO not only some top-notch cake cutters, but also the top ranking military and civilian folks in the Village.

In addition to Colonel Jones, we were honored by Colonel William L. Thompson, of the 81st General Hospital; Lt. Colonel Edward T. Thompson, of Torney; Lt. Colonel George Pearson, Torney Chaplain; Captain Harry Bursley, Field Club Officer; Lt. H. R. Schisler and Chaplain C. E.

Seven More Join Ranks of Village Chamber In Week

Seven additional new members have joined the Chamber of Commerce in the past week, Walter Kofeldt, executive secretary, said today.

"Many of them came in voluntarily—the business men and residents of the community are getting more Chamber of Commerce minded daily. It won't be long before we'll have the most active and representative Chamber in the state."

The new members are: Mrs. Ruth DuBose, of the Thrifty store, Youngs Liquor store, Leo Paquette of the Valley garage, Ted Reed of Reed's Radio shop, Bernard of Hollywood, photographer, Al Stein of the Frontier shop, and Charles Burket of Burket's court.

Executives of Fox Theater Chain to Meet in Village

Charles P. Skouras, general chairman of the War Activities committee of the Fourth War Loan drive, who is also president of the National Theaters, which includes the Fox West Coast chain, informed Walter Kofeldt, executive secretary of the local Chamber of Commerce this week that executives of the chain have selected Palm Springs for their annual get together, early in March this year.

The group will convene in Palm Springs for a three-day session. "And that's more publicity for Palm Springs," said Kofeldt.

Refugee From Near East Will Address Public Forum Meeting Feb. 17; Will Reveal What America Means to Him

Stephen Barooshian is an American citizen who does not take the rights and privileges of his citizenship for granted. Forty years ago his father was massacred by the Turks and his mother smuggled him as an infant to America. Here, after a long and difficult struggle, he acquired two college degrees and a chance to work at a job he likes.

Stephen Barooshian is grateful—deeply grateful—for the opportunities America has given him. He is worried about America's prospects for winning the peace. He wants fervently to see the American democratic traditions preserved, and he is now speaking to numerous enthusiastic audiences in northern California in efforts to increase an understanding of and an appreciation for the political idealism on which democracy is based.

Mr. Barooshian is fifth speaker in the current series of free public forum meetings devoted to the theme, "Whither American Idealism in the Postwar World?" His meeting will be held Thursday evening, February 17, in the auditorium of the Frances Stevens school on North Palm Canyon drive. The meeting will start at 7:45 p. m. Mr. Barooshian is Dean of Instruction, Placer Junior College, Auburn, California.

The sixth and final speaker in the current series of forum meetings is Mr. Don Bate, newspaper man and radio commentator. His meeting will be held March 2.

Tax Assessor And Staff In Village

Frank Burchfield, county tax assessor, and members of his staff were in the Village this week making a survey which may lead to an adjustment of assessments here.

While here Mr. Burchfield conferred with Ray M. Sorum, city manager.

Scientists, in measuring the distance of a star from the earth, view it from two points 185,000,000 miles apart. The earth's orbit has a diameter of 185,000,000 miles, so scientists plot the position of a star, then wait six months until the earth is at the opposite side of the orbit, then plot it again.

Korean to Address Church Women At Meeting Feb. 22

Dr. Grace Song Line, a native of Korea, will address women of the Village on "Her Experiences in the Orient" at the February meeting of the women of the Community Church, to be held at the home of Mrs. Walter Illick, Parocela and Indian Trail, on the afternoon of Feb. 22.

As far back as 1938, Dr. Line and her husband, presented many lectures telling of Japan's unfriendly spirit toward the United States, based on actual experiences.

Chamber Receives Many Scenic Views Of Palm Springs

The Chamber of Commerce is getting plenty of photographs of scenic spots in and around Palm Springs as result of its plea in The Desert Sun but it can use more. Several dozen unusual negatives, some in color, and some excellent prints have already been turned in, Walter Kofeldt, executive secretary, said today.

Mr. Kofeldt also announced that starting Feb. 15, an exhibit of beautiful photographic art studies by Thor Swan, Norwegian artist of the lens, will be on exhibit at the Chamber.

The public is invited to view them.

Rites Said Monday For Alva W. Dodd of Cathedral City

Funeral services for Alva Willson Dodd, Cathedral City business man and first policeman in Palm Springs, were held last Monday afternoon at 2:30 o'clock in Riverside with the Rev. D. V. Alderman, officiating. Evergreen Lodge F. and A. M. was in charge.

Mr. Dodd succumbed last week to the effects of burns received several weeks ago in an explosion and fire at the De Luxe Trailer Park which he operated in Cathedral City.

For a while he seemed to be recovering, but suffered a relapse last week.

In 1929 and 1930, Mr. Dodd was the sole police force of the Village. He was serving as a deputy sheriff at Cathedral City at the time of his death.

Mr. Dodd is survived by his wife, Mrs. Ruth Dodd, of Cathedral City and by two brothers and three sisters, all residents of Indiana.

San Diegoan Visits At Sunset Court

Wendall Wall, of San Diego, associated with Mr. and Mrs. Henry Turk at Sunset Court, also interested in San Diego and other properties, was a recent visitor in Palm Springs.

Mr. and Mrs. Turk, who personally manage Sunset Court, have just completed a number of improvements on the property.

Kofeldt to Turn Columnist to Aid Village Publicity

Insuring more publicity for Palm Springs, Walter Kofeldt, executive secretary of the local Chamber of Commerce will turn columnist soon.

He has been asked—and has accepted—an invitation to send in a weekly column on Palm Springs activities to the Showman's Trade Review a trade publication with more than 30,000 weekly readers in production distribution and exhibition circles of the moving picture industry.

Headquarters of the publication are in New York City.

Pasadena's Mayor Is Village Visitor

Mayor A. I. Stewart of Pasadena was a visitor in Palm Springs this week calling on city officials and on Dick Graves, secretary of the California League of Municipalities, who is here on a vacation.

Mayor Stewart is assistant chairman of the state war council of which Mr. Graves is chairman.

Local Carpenters Thanked For Work Completing Arena

R. H. Bennett, Field Club director, today publicly thanked nine Village carpenters of the Palm Springs local, No. 1046, for their aid in seeing to it that the new boxing arena at the Field Club was ready for Sunday's big show.

These men donated 55 hours of labor to the project, he said, and made possible its completion.

Mentioned were Jack Moore, Charles Adams, Charles Gallanger, Bill Felland, Herb Albrow, Harry Sanders, Carl Lee, Bert Cameron and Claude Wamblesley.

be seen in action. A third grunt and groan match is yet to be arranged.

Two outstanding California referees, Benny Whitman and Frankie Van, will officiate.

ADDED EVENTS

As an added attraction a professional stunt team of eight men from Warner Brothers studio, headed by Harvey Parry, the Motter brothers acrobatic team, recently on the Blackouts of 1943, and two or three other acts will be presented.

The Master of Ceremonies will be Dan Tobey, famous announcer of the Hollywood Legion and Olympic club fame and the 95th division army band will furnish music.

It is a star-studded show and R. H. Bennett, Field Club director, expects a packed and jammed house to view it.

"It's open to the public as well as service personnel and it's free," he said.

Five Boxers From Ferrying Group In Gloves Tournament

Five men now stationed at the 21st Ferrying Group base here are now signed up in the Golden Gloves boxing tournament sponsored by the Los Angeles Times and scheduled to get underway next Wednesday at the Hollywood Legion stadium.

Under the watchful eye of M/Sgt. Joe Miller, the following are in training for the event:

Amado Espinoza, lightweight; Julius Sandy, middleweight; Tony Sanchez, welterweight; Sam Lockett, light-heavyweight, and Sam Watson, middleweight.

Many Big Golfers Entered in Ninth Annual Tournament

With entries from many noted clubs and with many well known golfers included, approximately 100 will tee off in the Ninth Annual Palm Springs championships on the Desert Golf course next Friday, George Howard, pro, said today.

A new trophy will be up in the championships proper as Jack Gaines, Glendale, walked off with the first trophy last year, having won it three times—in 1937, 1939 and 1943.

SENIOR TOURNEY

Play starts on Friday, Feb. 18, when the senior tournament for men over 50 gets under way. This is divided into age groups with trophies for each.

Play in the championship rounds start Saturday and the 36-hole play continues over Sunday.

Among the entries is Johnny Dawson, who holds the tournament record, winning in 1940 with a card of 130.

IN GREAT SHAPE

Superintendent John Kline has the course in great shape for the event and some excellent cards are expected.

The Calcutta will be held Friday night at the Desert Inn.

Thomas A. O'Donnell and J. E. French are co-chairmen of the tournament committee and members are John Hamrick, J. W. McAllister, Fred Ingram, Carl Haymond, Ernest Le Fluor, John Kline and George Howard.

81st General Wins Army Basketball Trophy Undefeated

The Army basketball loop race came to an end Monday night with the 81st General Hospital team undisputed champions of the loop.

They went through their nine-game schedule without dropping a game, gaining their last two victories without lifting a hand, via the default route.

Torney General Hospital wound up in second spot, a game behind their neighbors.

Boyd Comstock, Noted Coach, Here To Speak at Base

Boyd Comstock, noted track and field coach, developer of many champions, was in the Village this week to speak at the 21st Ferrying Group base.

Comstock was in Italy when the war broke out and for months prior to that, had been in Germany, too.

He was coach at U. S. C. and at Yale and also for the Los Angeles Athletic club, developing many Olympic champions. He was engaged in Italy to coach their 1936 Olympic team and was still there when World War II broke, returning to the United States in July, 1942.

In World War I he took an active part in training camp activities.

Records Broken In Closing Games In Torney Tourney

Records were blasted and high counts rolled as the Torney General Hospital enlisted keggers rang down the curtain on the first half of the bowling schedule.

The Detachment of Patients five, who led the league for the last eight weeks, finished on top of the heap, six games ahead of the runnerup, QSVL Strikers.

The Strikers finished strong to edge out the Headquarters team for the number two spot.

The MP's, who tied with Headquarters for third place, wound up the fourteen week schedule in sensational style by clipping the timber for a record high single game of 953 and a new high series totaling 2676 pins. All five members of the squad, Priddy, Gongola, Dowden, Powell, and Meyers, pounded the timber for better than five hundred totals.

Dental Clinic, Personnel, 1st Sergeants, and Registrar finished up in that order behind the leaders.

Miner of the Personnel keggers stole top high single honors with a 232 game, rolled as the season drew to a close.

The 613 series accounted for by Graffice of the QSVL Strikers plus his grand average of 174 for the fourteen weeks made him the "tough" man in the league.

Play in the second half of the loop started last Friday night and winner of the fourteen week round will meet the Detachment of Patients team for the championship.

Mr. and Mrs. Levering Moore have purchased the home of the late Louis M. Blankenhorn in the Rancho Mirage district and have moved into their new possession from the Village.

Their new address is R.R. 1, Box 135, Indio, Calif.

Recreation Fund Benefit Dance Is Immense Success

Tuesday night's dance at the Palm Springs Roller Rink on the Field Club grounds, proceeds of which went toward boosting the recreation fund to provide funds for needed equipment, was an outstanding success, according to R. H. Bennett, Field Club director.

More than 400 were present to dance the modern and old-time dances and because of the success of the event, additional dances will be staged frequently, Mr. Bennett said. Future dances, however, will be either straight modern or all square dances with appropriate accompanying music.

Spoor's orchestra furnished the music for Tuesday's dancing. Mr. Bennett expressed the recreation commission's thanks to Margaret Anderson of the Roller rink for donating it to the cause.

More than \$150 was realized for the recreation fund.

Canyon Re-Opening Draws Throngs to Enjoy Scenic Spot

William Veith, Palm Springs Indian agent, said today that great throngs have availed themselves of the opportunity to go into Palm Canyon which has been re-opened on Sundays from 9:00 a. m. to 6 p. m.

"The canyon is beautiful now and many picnic parties and hiking parties are going in on Sundays. Strict precautions to prevent fires are in force and no smoking is allowed," he said.

He added that if private parties wanted to enter the canyon on week-days for hikes or rides, a permit may be obtained at his office on Indian avenue.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs
By Pfc. Robert D. Price

FOURTH WAR LOAN DRIVE ENLISTS TGH

The Fourth War Loan Drive is still under way at Torney. Capt. D. D. Randall, war bond officer, is optimistic about the final results of the campaign now being conducted.

A bond booth was established at the end of the pay line last Monday and netted a sale of over eight hundred dollars to enlisted men of this post. Officers, nurses and civilians are continuing their concentrated campaign and with continued cooperation of all concerned Torney should go well over the top.

COL. JONES GIVES AWARDS

Friday afternoon at a special Retreat Formation one hundred twenty-four enlisted men of this installation were awarded the Good Conduct Medal for exemplary behavior, efficiency and fidelity. Col. A. B. Jones, after formal inspection of the troops, presented the awards to the men of this station under the command of Capt. R. L. Hendrix, section Co. Special music for the presentation and Retreat Formation was provided by the 21st Ferrying Group band.

TWO PATIENTS COMMENDED

Two patients of Torney, Corp. Edward J. Clay and Pfc. Earl M. Young, were the recipients during the past week of Certificates of Commendation signed by Maj. Gen. Sylvester of the 7th Armored Division. Formal presentation of the certificates was made Saturday morning, Jan. 29, by Col. A. B. Jones, Commanding Officer of Torney General Hospital. During maneuvers in the desert training area, Corp. Clay and Pfc. Young were simulating an attack on a pill-box. Advancing under pseudo battle conditions, Clay and Young were carrying improvised hand grenades. The grenade carried by Young exploded prematurely, seriously wounding Clay and himself. Moved to Torney for treatment, both Young and Clay have been patients here for the past several months.

LECTURE-FILM SERVICE

Arranged as part of the Patient Reconditioning Program, a series of training films and lectures are

being held. On Wednesday and Friday at 1400, training films are shown. At 1000 every day, except Thursday and Sunday, a lecture by an officer patient of Torney is given as a means of passing on first hand experience gained by members of the patient officer personnel. All films and lectures are exhibited and held in the Red Cross Recreation Hall.

CHAPLAIN VISITS TORNEY

Col. James L. Blakney, Chaplain, Ninth Service Command, is on the post today as part of his tour of duty of the southwest. Greeted by Senior Chaplain Lt. Col. Pearson and Chaplain Gleason, Col. Blakney inspected the facilities of the Chaplain's branch of this installation. Chaplain Blakney arrived Friday and is expected to remain here until Sunday morning.

EIGHT OFFICERS ADDED

Eight officers have been added to the staff of Torney General Hospital during the past month. Five of the group are former officers of the 81st General Hospital that have been transferred to Torney. Names and assignments follow: Maj. Edward P. Swartz, Chief of General Medicine Section; Capt. Dewitt C. Astler, Ward Officer Surgical Service; Capt. E. P. Engleman, Ward Officer Medical Service; 1st Lt. A. B. Webb, Assistant Ward Officer Medical Service; Capt. James Weres, Ward Officer Surgical Service. Three officers came to Torney from other stations: Capt. C. S. Gage, QMC, Morale Services; Capt. E. H. Brock, MC, Chief of X-Ray; Capt. H. R. Morris, MC, Assistant Chief of X-Ray.

MAJOR ANDREWS LEAVES

Major O. K. Andrews, PC, of Torney General Hospital, was transferred to a new post at another installation effective Monday, February 7.

One of the first, if not the first, officers to report to duty at Torney to take over the El Mirador Hotel and turn it into an Army Hospital, Major Andrews has held many important assignments here.

As company commander of Medical Section, SCU 1976, Major Andrews was stationed here until assigned as Executive Officer of the Torney General Hospital—Mill Creek Convalescent Facility. Returning from Mill Creek, Major Andrews has during the past two months been Assistant Director of Supply and Service Division of Torney.

Joseph Sandeffer Among 29 County Boys Joining Navy

Joseph Paul Sandeffer of Palm Springs was among 29 Riverside county youths who enlisted in the U. S. Navy during January through the Riverside Navy Recruiting station, according to word from T. V. Adams, recruiter in charge of the station. Most of the youths were in the 17 year old group. Some were assigned to a naval station for training while others who were in the final semester of high school, were placed on the inactive list to allow them to finish their senior year.

Mr. Adams said that there are still some ratings left for men in the Ship Repair Unit. Skilled tradesmen from 18 to 50 are urged to apply at the Riverside Navy Recruiting station for particulars about this program, he said. Men in the 18 to 38 group are obtained through voluntary induction and those over 38 by straight enlistment.

Popular Visitor Here Is Reported Missing in Action

Jack Blair, who will be well remembered by many Villagers as he was a visitor here in the 1940-41 season while recuperating from the effects of an automobile accident, is reported missing in action over Berlin, according to word received here by Mrs. Stella Rook of the El Nido from the young aviator's mother.

Flight Sergeant Blair is with the Royal Canadian Air Force. He made many friends while here who will regret the news of his misfortune.

Navy Training Film Is Made At Torney

The swimming pool at Torney General Hospital was the scene last week of some expert swimming as a U. S. Navy training film was photographed while six petty officers, all experts in the water, demonstrated the various types of swimming.

The film will be used in navy training.

21st FERRYING GROUP NEWS NOTES

Ferrying Division, Air Transport Command, Army Air Field, Palm Springs, California

By S-Sgt. George Goodale

IT WAS THE SERGEANT'S REVIEW

Master Sergeant Harry Hinkley, a gent who's been around as far as army circles go, has lots of praise for Major Frank Thornquest. After "Hink" was honored at review Saturday, the Major took him over to help inspect the 72nd squadron and the sergeant, like a good soldier, fell in behind the Major.

"No, sergeant, this is your review. I'll follow you," was Major Thornquest's order.

HE RETREATED

To those officers and non-coms who can't let a day die without arbitrarily pulling their rank, the following yarn told us by an officer friend is repeated.

A young pilot stepped out of a pursuit ship at a Texas field. A major got indignant when he saw the pilot was wearing only a pair of white shorts and launched into a long tirade on improper uniform, to which the pilot kept nodding humbly, saying only "Yes, sir," every now and then. Finally the exasperated major yelled: "Well — do something about it."

The flyer went to his plane, and came out, pulling on his khaki shirt. Suddenly the major made a hasty retreat when he noticed the insignia on the shirt—a colonel's silver eagles!

AID TO MASTICATION

We have learned that at the 3rd Ferrying Group at Romulus, Mich., they have an innovation at enlisted men's mess.

A seven-piece army band plays during chow, from 1130 to 1300, on Mondays, Wednesdays and Fridays.

The only thing we see wrong with it is that the speed with which some guys eat now they'd probably bash their ivories off if they tried to keep time with a jitter-bug tempo.

PARDON THE PRIDE

If you will pardon the personal pride we get in reporting this item we want to call attention to baseball's greatest pitcher, Chief Petty Officer Bob Feller. We used to hold Bob's contract for show business and it pleases us greatly to hear that he's not only a naval hero in the South Pacific, but is contributing much to entertainment in that area by pitching ball games at every opportunity.

PROP WASH

In case you don't now it, and we didn't, the postoffice is open 24 hours a day to mail letters.

Five New Captains At Army Air Base

Five men were advanced to the rank of captain and 14 from second to first lieutenants at the 21st Ferrying Group headquarters during the week, Lt. Col. Richard D. Morgan, commanding officer, announced.

New captains are: Jay D. Lockery, John Maloney, Frank L. Don Carlos, Oliver J. Mills and N. D. Patterson, Jr.

Villager Visits Home On Furlough

Sgt. Dawson Goff, well known and popular young Villager, left Wednesday to return to his post at Camp Campbell, Ky., after a week spent in Palm Springs visiting his parents, Mr. and Mrs. Frank Goff, and brothers.

His wife, Vona Goff, who has been in Palm Springs visiting the Goffs since November, returned to Kentucky with him.

Paul O'Halloran Visitor In Village

Paul O'Halloran, former Villager, now with the U. S. Navy and stationed at San Diego, was in Palm Springs for a few days last week on a brief leave.

While here he stayed at the Deep Well guest ranch where he was employed before entering the service.

Many Gay Parties Feature Week At The Desert Inn

A gay week of parties has been listed on the social calendar for guests stopping at Desert Inn and their friends. Mrs. W. R. Higgins, who has been extensively entertained since her arrival from Minneapolis, will stay at Desert Inn for the remainder of the season. Monday she presided at an attractively appointed luncheon in the De Anza room.

Places were marked at her table for Mrs. A. B. Jones, Mrs. Francis Crocker, Mrs. Donald Thornburgh, Mrs. James O'Reilly, Mrs. Francis E. Buckley and Mrs. Philip Boyd. Later that afternoon the group attended the meeting at the Woman's Club to hear Col. William Fox of the Marine Corps tell some of his experiences while being part of the conquering group at Guadalcanal. This meeting was the opening program to remind everyone of the forthcoming Red Cross Roll Call.

AT DINNER DANCE

Among those enjoying the weekly dinner dance Saturday evening in the main dining room of Desert Inn were a party of San Francisco residents, who are sojourning in Palm Springs for a stay of indefinite length. Mr. and Mrs. Russell Bowell were hosts. The party was given especially to compliment Mr. and Mrs. Edward Peterson, of the bay region, who were celebrating their wedding anniversary last week. Others present were Mr. and Mrs. James Lowrie, Mr. and Mrs. James Patrick, who are stopping at Desert Inn; Mr. and Mrs. George Whitney, of the northern city who have a winter home here, and Mrs. Hanniford, sister of Mr. Whitney.

At a near-by table that same evening for the dinner dance were Mr. and Mrs. L. W. Simms of Los Angeles, who entertained Mr. and Mrs. John Wheeler, Mr. and Mrs. C. W. Allison and Mr. and Mrs. Robert Parker.

MRS. COFFMAN BACK

Portland, Ore., is represented at the Inn this month by Mr. and Mrs. J. R. Hulbert, who visited here last season. They were dinner hosts late last week when they invited Mr. and Mrs. Charles Irwin to join them. The occasion was to mark the wedding anniversary of the Irwins, who also come from Portland, and maintain a seasonal home in Palm Springs.

Both hotel guests and local villagers are happy to welcome Mrs. Nellie N. Coffman, co-owner and operator of the resort, back to the Inn. She has been in Good Samaritan hospital, Los Angeles, since early in December having a series of eye operations.

CORDIAL GREETINGS

Many cordial greetings also were extended to Mrs. Earl Coffman, attractive lieutenant in the WAVES. She was here on a short leave from her navy duties in San Diego.

Among those stopping at Desert Inn are Mr. and Mrs. Don Gilmore, San Francisco; Mrs. George deLatour, San Francisco; Mr. and Mrs. D. H. Graham, Long Beach; Mr. and Mrs. F. G. C. Lyon, Oyster Bay, New York; Mr. and Mrs. Harry H. Cahill, Seattle; Mr. and Mrs. Arthur Kudner, Fifth Ave., New York; Mr. and Mrs. David William Price, New Rochelle, New York; Mr. and Mrs. L. W. Mesta, Pittsburgh, Pa.; Mr. and Mrs. Edward Bernard, Biltmore Hotel, Los Angeles; Mrs. Frank Hodswell, Bel Air; Mrs. M. J. Ossarno, Westwood Village; Mrs. Walter Abell, Los Angeles; Rt. Rev. J. M. Berne, San Francisco; Mr. and Mrs. Columbus Healy, Sugar Grove Farm, Aurora, Illinois.

Four From Village Attend Power Co. Veterans' Banquet

Mr. and Mrs. Francis F. Crocker and Mr. and Mrs. Frank Doro represented the Palm Springs office of the California Electric Power company at the annual Veterans' banquet of the company, held at the Victoria club, Riverside, Friday night. The Veterans club is made up of Power company employees who have been with the company 15 years or more. The club now numbers 288 members.

President A. B. West and other high officials of the company addressed the group.

Opening Gun In Red Cross Campaign Sounded At Interesting Meeting of Woman's Club; Col. Fox Is Speaker

It was Red Cross day at the Palm Springs Woman's club last Monday at the club house, South Cahulla road, and it marked the opening gun in the annual Red Cross campaign, due to start next month. Much of the meeting was devoted to the work of the Village branch of the county Red Cross chapter and on display were exhibits of the products of the branch.

Mrs. William A. Lippman, president of the club and also an active Red Cross worker, took the occasion to thank the women of Cathedral City for their aid and cooperation in the Red Cross production work.

COURSE OPENS SOON

Mrs. Virginia M. Blair called attention to the Volunteer Nurse's Aid course starting February 21 with Mrs. Mildred Sellinger as instructor. All eligible were asked to contact Mrs. Elbert H. Brock, chairman, of the committee in charge. Four young women with more than 1,000 hours nursing service between them, were presented and Mrs. Lippman complimented them on the work they were doing.

Philip L. Boyd, chairman of the local branch, was introduced and said that he found it a pleasant experience to head the Palm Springs branch. He thanked the Woman's club for devoting the day to the Red Cross. He mentioned the work of the Home Service department, the Camp and Hospital service, the Motor Corps and Production department all of whom have made a great record.

PRESENTS FIGURES

He presented figures of the work being done by the American Red Cross in connection with the war effort—two million persons receiving direct aid last year, 100,000 pints of blood being donated, 3,400,000 packages sent to prisoners of war. He presented statistics showing the great increase in Red Cross activities, pointing out that there were now 350 overseas clubs in operation. Due to the great increase in activities and expenses, he said the local quota this year would be \$24,000. He concluded with the remark that the Red Cross was doing the greatest humanitarian service in history.

Mr. Boyd introduced Col. William J. Fox of the Marine corps who was awarded the Purple Heart in January for his services in the Pacific war theater.

BRINGS WAR HOME

Because of the nature of his speech, he asked that it be kept off the records. The courage, bravery and endurance of the Marines in overcoming the obstacles they met, was made real by the speaker in his earnest, sincere talk. His listeners today have a greater realization of what the nation's fighting men are doing.

The warm appreciation felt by his audience was expressed by Mrs. Lippman in thanking Col. Fox.

The meeting was opened by Mrs. Lippman with a gracious speech of welcome. The pledge of allegiance and the singing of America were led by Mrs. J. R. Macartney.

PARTY ON MONDAY

The club welcomed back Mrs. Donald Lockett who read the minutes of the last meeting and announced that any suggestions as to changes in the by-laws of the club be sent to the committee in charge within the next seven days. The committee consists of Mrs. Ralph Clock, Mrs. Bacon L. Clifton, Mrs. Raymond Cree and Mrs. George Wing.

Mrs. H. Bedford-Jones reported on the Valentine card party to be held next Monday at the club and said that much enthusiasm is being shown by the women of the Village. Besides individual table prizes, a \$25 bond will be awarded. She asked that all reservations be made early in order to plan for refreshments. Proceeds from the party will be used to further the insurance fund of the club.

PROUD OF PROGRAM

Mrs. Lippman reported that the meeting of the county federation at the local club last week was a decided success. She said she was proud of the musical program presented by young people of the Village and thanked all those who aided.

Deep regret was expressed over the death of Miss Florence Newberry, a much loved member of the club who recently passed away and sympathy was extended

Junior Hostesses of USO Celebrate Conference Close

The conclusion of the USO Junior Hostess Training Conference was celebrated at the Doll House last week by the twelve girls who fulfilled all requirements. Guests at the dinner were Mrs. Madge E. Holderman and Lt. H. R. Schisler, both of whom had conducted sessions of the conference. Lt. Schisler, lone man with fourteen women at his table, was looked on with awe and wonder by other military guests of the Doll House. One Captain is reported to have asked for the privilege of shaking his hand!

Girls who received their official Junior Hostess cards from Lt. Schisler were: Cynthia Burnham, Carolyn Cobb, Bettie Cuckett, Ruth Fassero, Betty Harpster, Helen Huber, Lila Lee Lilley, Carmela Mutascio, Petronilla Mutascio, Hazel Shubin, Nancy Lee Spore and Louise Wolff.

Miss Frances Dodds, of the USO staff and director of Junior Hostess activities, planned the party for the girls and was the hostess of the evening.

Notable Guests Now Registered at Casa del Camino

Jay Y. Tipton, president of the Gillham Advertising Agency of Salt Lake City, and Mrs. Tipton, have been guests at the Casa Del Camino bungalows for the past week while he was in southern California on a brief business trip. It was their first visit to Palm Springs.

Resting up after a swing around army camps which brought them to Palm Springs last week end for several hours, Mr. and Mrs. Woody Herman and daughter, Ingrid, were also guests at the Casa Del Camino bungalows this week.

Among the guests enjoying the hospitality of the Casa Del Camino are Mr. and Mrs. John Hayes, formerly of Washington, D. C., who are in Palm Springs on their first visit and plan an extended stay. Mr. Hayes was connected with the Bureau of Yards and Docks of the Navy department in the capacity of designing engineer. Although it is their first visit, it won't be their last for they fell in love with the combination of the relaxing sunshine of the desert and the cool stimulation of the nearby mountains.

Among other guests of the Bungalow are Harry D. Cane and his mother, Mrs. Eva Cane, Mr. and Mrs. Ed James from Long Beach and Mr. and Mrs. Prince of Beverly Hills.

Dessert Bridge Event to Attract Throng On Monday

With many reservations already made, the dessert bridge to be held Monday afternoon, February 14, at the Woman's Club promises to be a most successful event. While reservations will not be necessary, to date more than 100 women have purchased tickets.

Dessert will be served at 2 o'clock, and will be followed by bridge. Mrs. H. Bedford-Jones is chairman of the affair, which is given by the Woman's Club, and to which the public is cordially invited.

Mrs. Clarence Simpson in the loss of her husband. At the door to greet members and guests were Mrs. Grant Fry and Mrs. George Roberson while officiating at the gayly festive tea table were Mrs. William Davies and Mrs. T. W. Robinson.

Open House Held At Alschuler Home On Anniversary

Open House, to celebrate the birthday of Ernest Alschuler, was held at the Alschuler home, 421 Santa Rosa road, last Sunday with many calling during the afternoon.

Among the guests were Mr. and Mrs. Harry Dart, Mr. and Mrs. William Stern, Mr. and Mrs. Harry Klonick, Mr. and Mrs. Sanford Samuel, Dudley Bigelow, Mr. and Mrs. Oscar Cummings, Mr. and Mrs. Milton Joseph, Mrs. Emily Joseph, Mrs. Martha James, Major and Mrs. Shapiro, Mr. and Mrs. A. Jalloff, Capt. Jimmie Woolner, Mr. and Mrs. Harold Willard, Mr. and Mrs. S. M. Zalud, Mr. and Mrs. Charles Bonoff, Mrs. Irene Cohen, Mrs. David Fowler, Mrs. Bess Jacobs, Mr. and Mrs. Henry Weinberger, Mr. and Mrs. Edmund Jordan, Mr. and Mrs. Michael Biernkranz, Mr. and Mrs. Max Van Cleef, Mr. and Mrs. Charles Chamberlain, Mr. and Mrs. Phil Miller, Mr. and Mrs. Phil Krumm.

Mr. and Mrs. Krumm and Mr. and Mrs. Willard are house guests at the Alschuler home. Mr. Krumm and Mrs. Willard are executives of the Erla-Sentinel Radio of Evanston, Ill., of which company Mr. Alschuler is president. The company is producing radio and radar for the armed forces, making equipment which ranges from the much-talked-of "Walkie-Talkie" to the large equipment used in airplanes, tanks and so on.

Daughter of Local Winter Resident Bride of Officer

Miss Lynn Marie Chaney, daughter of Mrs. Thomas K. Miller of Palm Springs and Hollywood, became the bride of Lt. Harry E. Febich of the U. S. Army, at a quiet ceremony at the Community church Sunday afternoon at 4 o'clock with Dr. J. R. Macartney, pastor, officiating.

Attending the young couple were Miss Ileen Burkholder of Hollywood and Harry Weldon. Following the wedding, which was attended by close friends of the family, a reception was held at the home of the bride's mother after which the young couple left for a brief honeymoon prior to Lt. Febich's departure for the east.

He has been stationed at Camp Iron Mountain.

Sgt. Dawson Goff And Wife Honored At Family Party

Mr. and Mrs. Frank Goff entertained members of the family at their home Friday night of last week in honor of their son, Sgt. Dawson Goff, who was here on a brief furlough. Sgt. Goff is stationed at Camp Campbell, Ky.

Present were Sgt. and Mrs. Goff, 'Dad' Dawson Goff, Mrs. Zaddie Bunker, Mrs. Pauline Hayward and children of Redlands, the Charles and Cecil Goff families, Mr. and Mrs. E. L. Parker and Jack Davis, a close friend of the family.

Cathedral City Club to Meet Wednesday

Cathedral City Woman's Club will be entertained next Wednesday at the home of Mrs. Edith Colglazer on E street.

At that time Mrs. Colglazer will display many of her character dolls. A treat is in store for the club.

Katherine Delano Weds Army Man At Inn At Riverside

Miss Katherine J. Delano, daughter of Mr. and Mrs. Philip A. Delano of Palm Springs, became the bride of Sgt. Glenn E. Hippensriel of San Bernardino, last week at a simple ceremony solemnized at the Mission Inn, Riverside, by Dr. Henry Clark Smith, rector of All Saint's Episcopal church.

The young couple are now on a honeymoon trip in the northern part of the state and will make their home in San Bernardino.

Given in marriage by her father, the attractive young bride wore a street-length dress of teal blue and a half halo of yellow rosebuds in her hair. She carried a white prayer book.

The bride is a graduate of Riverside Polytechnic high school where she served as vice-president of the Girls' League and was active in the Hi-Tri club.

Sergeant Hippenstiel is a graduate of University of California and was a member of Big C society and Winged Helmet. He also was on the Daily Californian staff.

Detroit Visitor Decides to Make Village Her Home

Mrs. L. B. Luyster, of Detroit, Mich., who has been the house guest of Mrs. Jack Grove for the past few weeks, will leave next Tuesday for her midwest home—but she will be back. Mrs. Luyster, who has been a frequent Palm Springs visitor in other seasons but only for short intervals, fell in love with the Village during her longer stay this year and plans to return next fall to spend the entire season here.

When the war is over, she will build a home here and in preparation for that bright day, purchased residential lots on West Arenas road during her stay here and will build as soon as possible. She also is considering buying a home in Los Angeles and moving to California permanently, spending her summers there and her winters here.

Mrs. Luyster and Mrs. Grove have been close friends since school girl days.

W. M. Davis Host At Dinner Party In Honor of Wife

W. M. Davis was host at a dinner party at the Desert Inn Saturday night in honor of Mrs. Davis, whose birthday anniversary it was.

Guests were Mr. and Mrs. Fay Brainard of Estes Park, Colorado, Mr. and Mrs. B. K. Cooper of Tulsa, Okla., Miss Betty Rowntree, Burlington, Wis., and Lt. Lang B. Davis of Guthrie, Okla.

Tennis Club Host to Many Parties And Noted Guests

Many gay parties and many notable guests were at the Palm Springs Tennis Club during the week, enjoying its hospitality and the beautiful grounds.

Included in the different parties noted on the tennis courts were Miss Barbara Prentice, Rosalind Russell, Mrs. Karl de Laitre, Mrs. James E. Potter, Mr. and Mrs. Hans Klehmet, William Clayton.

Gen. Alexander M. Patch and Col. White were enthusiastic bowlers on the green Wednesday with Austin McManus and Charles Fulton as opponents. Also bowling on the green were Karl de Laitre, Calvin F. Selfridge, William Dean, Bruce Burritt and George Booth.

ARMY DANCE

Tuesday evening, personnel from the evacuation hospital at Desert Center enjoyed the hospitality of the club at a gay party. Guests present for the Bingo party last week included Mrs. Noble Banks, Mr. and Mrs. Frank Camp, Mrs. Ralph Mills, Miss Barbara Prentice, Mr. and Mrs. Norman F. Clendenen, Mr. and Mrs. John S. Lappe.

Among the merry affairs of the week was the party given by Mr. and Mrs. H. Earl Hoover for the Gray Ladies before their graduation ceremonies Friday.

MANY AT CLUB

Mr. and Mrs. Walter Monroe, who are going to be in Palm Springs for some time, are among the new members of the club.

Seen around the club during the week were Dr. and Mrs. Henry S. Reid, Mr. and Mrs. E. W. A. Peake, Mrs. Gordon Prentice, Mrs. Mary M. Byrne, Mr. and Mrs. John Jenkins, Mr. and Mrs. Henry Wick, Mrs. A. S. Fleming, Mr. and Mrs. Faray R. Wurlitzer, Mr. and Mrs. Frederick Burnham, Mrs. Naomi Fern Jones, Mr. and Mrs. Ledyard Mitchell, Mrs. Esther Pearson, Mrs. Isabel Stuart, Frank Soles, Ralph S. Hill, Mrs. Arch Nilson, and many other notable.

Mrs. Helen Waskow Hostess at Birthday Party and Dinner

Honoring Miss Ada Chidley, of the Plaza Lodge, Mrs. Helen Waskow was host at a delightful birthday party Monday evening at the Plaza store. A charmingly appointed dinner which was featured by a birthday cake adorned with the honoree's name and other fitting decorations preceded an evening of enjoyment.

Among the guests present were Miss Patsy Walters, Mr. and Mrs. Harry Williams and Mrs. Emily Jordan of Palm Springs and three young women from New York, house guests of Mrs. Waskow — Miss Margaret O'Connor, Miss Lilybee Sondrey and Miss Margaret Gildey.

Saturday Dancing Parties Popular At Racquet Club

Saturday night dancing at the Racquet club is becoming more and more popular and the weekly parties are attracting many winter residents and their guests.

Last Saturday evening, Lt. and Mrs. Janssen Noyes were hosts at a gay dinner party. Mr. and Mrs. William Colburn gave a dinner party in honor of Mr. and Mrs. Robert Martin who are staying at the club for the remainder of the month.

Guests at the club this week are Gerald Simon of San Francisco, Mrs. Edward Sutherland of Beverly Hills, Mr. and Mrs. Benedict Bogeaus of Hollywood, Mr. and Mrs. L. R. Hoagy and Mr. and Mrs. Malcom Shelton of Amarillo, Texas, Donald Stralem of New York City and Ricardo Cortez of Hollywood.

Seen frequently on the tennis courts of the club are Mrs. William Spiegleberg of New York City, Miss Gertrude Moran of Santa Monica, the California state junior champion, Wendell Neocholas of San Francisco, Rodney Soher of Beverly Hills, Sterling Edwards of Hollywood, William Walker of Beverly Hills, Mrs. Sydney Spiegel of Chicago.

City Clerk Named Deputy Registrar For Palm Springs

Mrs. Louise E. McCarn, Palm Springs city clerk, was this week appointed deputy registrar of voters for the Village, succeeding Mrs. Bertha Carter, resigned.

Mrs. McCarn's office is at the city hall, 363 North Palm Canyon drive, where local citizens may get their names on the voters register.

Registration for the city election closes one month from today, March 11. Any voter who has moved recently or who failed to vote at either of the general elections in 1942, must re-register.

Today marks the opening of the city election race as it is the first day in which to circulate nomination petitions for council seats.

MORE ABOUT . . . Election . . .

their terms do not expire this year.

Mrs. McCarn today issued the official election call, designating the districts and describing their boundaries. Another warning was issued today that citizens have less than four weeks in which to make sure they are eligible to vote.

Registration for the city election, just two months off, closes on March 2, three weeks from next Thursday.

A drive to register all voters to insure a representative choice at the polls on April 11 is contemplated. Mrs. McCarn has been appointed deputy registrar of voters and may be found at the city hall on any business day during business hours to register Villagers.

CHRISTIAN SCIENCE LECTURE RADIOCAST

A lecture on the subject "Christian Science: The Revelation of Man's Dominion Over Evil" will be radio-cast over station KFWB (980 kc), Tuesday evening, February 15, at 8 p. m., from Ninth Church of Christ, Scientist, Los Angeles. The lecturer, Robert Stanley Ross, C. S. B., of New York City, is a member of The Christian Science Board of Lectureship.

Codfish Cycle

A codfish lived three months in an airtight globe at the North Dakota Agricultural college of Fargo. Water plants inside the globe were kept alive by carbon dioxide given off by the fish, which in turn breathed the oxygen the plants gave off and ate them.

Common milkweed plants, long regarded as a farm weed pest, are now furnishing floss for lifebelts, marine mattresses, and for heat and sound insulation.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

Congress first heard of UNRRA when Governor Lehman resigned, and Charlie Poletti, the lieutenant-governor, took office. Some people said that was political. I wouldn't know; I don't know much about politics. Lehman had a record of good administration. He became chairman of a United States committee to discuss relief for occupied countries.

The next step was the United Nations Conference on Food and Agriculture at Hot Springs, Virginia, May 18 to June 3, 1943. No member of Congress was allowed at the conference. Judge Marvin Jones, who became its chairman, had extended an informal invitation, in a hearing before the House Committee on Agriculture, but when two members of Congress tried to attend, they were stopped by Military Police and turned away. No representative of the press or radio was allowed at the conference.

The newspapers carried such items as they could discover, among them enthusiastic approval of collective farming by one of the representatives of the Soviet Union, who had been made the chairman of the conference committee on agriculture. Subsequently the Department of State published a report on the conference which left Congress wondering principally what had been omitted; a state of mind in which Congress has found itself more than once after world conferences attended by representatives of this nation.

One member of Congress said on the floor of the House that his analysis of the conference recommendations was that the United States would be committed to a production which might return the "dust bowl" to the same conditions from which we rescued it painfully in recent years. Remember that Congress up to this point had no official information regarding this predecessor of UNRRA.

On November 9, the representatives of these same 44 nations met with some éclat at the White House where they all (including President Roosevelt) signed an agreement establishing the United Nations Relief and Rehabilitation Administration. It must have been a nice party, but still Congress (which is supposed to have some part in legislative matters in the United States) had no official knowledge of what was going on.

I say "official." Lots of Congressmen have friends, surprising as it may sound, and some people in the executive branch of government still believe in the Constitution. By the first of November, information was coming to us informally.

Not all of it was comforting. I asked for a list of all employees of the Office of Foreign Rehabilitation Operations prior to November 9th. That was the name of Governor Lehman's first organization. I received a list of 304 em-

ployees. This was only a committee to organize. There was one salary of \$10,000; 1 of \$9,000; 14 of \$8,000 each; 59 between \$5,000 and \$8,000; 25 between \$4,000 and \$5,000; 54 between \$3,000 and \$4,000; and 157 under \$3,000, of which 53 were clerks at \$1,800; 14 at \$1,620; 4 at \$1,440 and 3 at \$1,320, the lowest salary paid. All these salaries were increased by the 15% act, even the highest salaries were increased \$435 each per year, the maximum increase possible.

The names were more interesting than the salaries, I will continue the comments next week.

Craemer Seeks GOP Nomination For U. S. Senator

Justus Craemer, Orange county publisher and grower, and member of the State Railroad Commission, made known his decision to seek the Republican nomination for U. S. Senator last week in a letter sent to the publishers of nearly 200 California newspapers who had urged that he become a candidate, and who had pledged their support of his candidacy.

Orange grower and publisher of the Orange Daily News, Mr. Craemer's farming and business experience has given him a keen insight into California's rural problems. On the other hand, his public career—including service as a secretary in the Governor's Office, as deputy director of the State Department of Public Works, as State Building and Loan Commissioner, and in his present capacity as chairman of the State Railroad Commission—has brought him in close contact with the business and industrial problems of the entire State.

Wanted - A Piano; If You Have One, Call For Bennett

Have you a little spare piano whose keys haven't tinkled in some time and which you could spare for a worthy cause?

R. H. Bennett, Field Club director, is looking for one.

With the plan to stage several dances at the Roller Rink each month as a benefit for the Recreation fund, a piano is needed.

If you have a piano which is not in use and wish to loan it to the recreation commission, Mr. Bennett may be reached through the city hall.

Mail For Prisoners of War Will Be Examined At P.O.

Any patron wishing to send mail to any prisoner of war was urged this week by Postmaster R. M. Gorham, to present the matter unstamped at the local office where clerks will examine them before mailing to see that they contain no objectionable notations.

Some countries, especially Germany, are destroying all prisoner's mail bearing any slogan or reference to winning the war. While some mail to prisoners or internees does not require postage the clerks will examine all mail to see that nothing objectionable might cause the mail to be destroyed. Care will be taken by the clerks to see that only certain stamps are used on mail that requires stamps, such as air mail, for advice is received that Germany is destroying mail that bears our "V" stamps or "Win the War" cancellations or any reference whatever to the war.

When it is not convenient to bring the mail to the office personally, the letter for the prisoner can be placed in an unsealed, unstamped envelope addressed "Postmaster," and this will avoid accidental cancellation.

Scientists offer little hope of synthetic notonone or pyrethrum, essential insecticides, because of their complicated molecular structure.

Phillips In Group to Review Federal Crop Insurance

Chairman H. P. Fulmer of the House Committee on Agriculture announced Friday the appointment of Congressman John Phillips as a member of a sub-committee to review the material submitted in connection with H. R. 3364—an act to amend the Federal Crop Insurance Act. The sub-committee was told to hold hearings and to bring in if necessary a revised bill with their recommendations.

The subject of crop insurance is a controversial one. At one time favorable to the idea, Congress some time ago refused further support because of the cost compared to the apparent benefits. The hearings and the appointment of the sub-committee are the results of that action.

The members of the sub-committee are: John W. Flannagan, Jr., of Virginia, Chairman; Harold C. Cooley of North Carolina; W. R. Poage of Texas; Fred C. Gilchrist of Iowa, and Phillips.

Fewer Grade III Tires For County During February

More Grade I tires will be available during February, for Riverside county motorists but fewer Grade III's according to figures released this week by Paul d'Orr, OPA district rationing chief. But the shortage is still acute and Mr. d'Orr has issued instructions to rationing boards to issue certificates on an occupational basis rather than in a mileage basis, as heretofore.

"Since there are not enough tires to go around," he said, "it is obvious that all occupational drivers will not be able to get tires. To see that essential industry is not crippled, boards have been instructed to follow a list of occupational preferences. The most essential drivers will get first consideration."

Riverside county's February quota of new Grade I tires is 879. In January the quota was 828. February's Grade III quota is 1,205. January's was 1,566.

While the annual meeting of our Chamber of Commerce is to be a week from Monday at Town Hall in the evening. President Cobb is now lining up a program that should interest every property owner and resident in our village. One of the principal activities the Riverside County Chamber is sponsoring is a program for post-war activity of the various communities. What we are able to do here is of course limited, but whatever we are able to do will assist in the cushioning of demobilization period. Francis F. Crocker of Palm Springs has consented to address the meeting and as he is one of the very active ones in his community in the county planning and certainly no stranger to us, we should have a good turnout to hear him.

A rather late drive for bonds for the building fund of the local free library is underway but it gives promise of making a fair showing before the end of the present 4th drive ending next week. Seven \$25.00 and \$50.00 bonds were subscribed by Wednesday evening. Jas. W. Kyle, the indefatigable, is lining up the contributors with Robert Hillery aiding and abetting. The result will go far toward insuring the construction of the library as one of the post-war activities of the community.

Any person who works for his community without reward or benefit cannot remain obscure and is the object of news interest. Therefore, I must mention still another job that brother Kyle has taken on. Some time ago the ever pressing question of meat ration came up and while James Herras who operates the Cathedral grocery was requesting more liberal consideration, the Los Angeles board came back with the announcement that Dun & Bradstreet had furnished them with the figure that our village had some 270 population. The figure is approximate, for it might have been 279. I don't think our village aspires to be anything but just a nice little village and some of us rather shiver with the thought of many people crowded together on our glorious desert but still what we have we acknowledge and most likely the figure furnished by the well-known credit people came from the 1940 federal census taken by our Beaumont friend Bogart, late in the spring when many winter residents had departed. We know there are from 800 to 1200 people here now and that figure is fairly stable in pre-war times. So Jas. K. has gone to the pains of collecting material and making up a form and having it mimeographed to take the first census gathered at a time that represents the winter season population, the only population that puts the village on the maps, supports the schools, pays the taxes and justifies the postoffice department in maintaining a postoffice with two mails per day, that come this far down the road and no farther. So if you are asked by one of the many volunteer census takers to give the information requested, you will know that it might be helping both Jack Spratt and his wife. Likewise the postoffice operated by Edna Cobb. Then repose among the archives as the first record of our community taken at a time when censuses on the desert should be taken.

I was about to say that Chas. E. Murphy, who with Mrs. Murphy, operates the Sunhaven Court, had gone into the Coca Cola business but rather the coca cola business went into the Murphy Court. Last Thursday night a week ago that popular beverage was replying case on case in one of their delivery trucks parked in front of McLearn's soft drink emporium on the upper side of the highway and across from Murphy's place when it slipped its brakes while the driver was out of the cab and meandered across the highway and plowed into the office and living quarters of the court, raining roof tile and building materials about, but fortunately injuring no one, although doing considerable damage to building in addition to the truck.

Mr. and Mrs. James W. Randall, owners of the Sun Dial Court, are guests of Wolseiths Desert Lodge during a short vacation. Mr. W. L. Jordan is agent for the Randalls and operates the court. Mr. Randall is a mail superintendent stationed at the terminal postoffice in Los Angeles and is looking forward to the day when he and Mrs. Randall can come out here to live.

Cecil Sturtevant, who recently returned here from Redlands, received word last week that his son who many remember during the short time he lived here with his father, had been inducted into military service.

Doc and Mrs. E. H. Brandt are moving but only a few blocks from the Bluehaven Court they have managed for several years. In the inevitable clean-up, Doc

gave away some of the things that seem to accumulate for all householders. He gave me a hooka and in case you don't know what a hooka is, I'll let you in on a secret. It is a Turkish water pipe but here is something else that I can't tell everyone, it will not work for me and as I have always associated dancing girls with water pipes, I have a faint suspicion that Doc. only furnished me with the pipe and without the accompaniment it won't work.

Mr. and Mrs. E. Tarr who recently purchased Osburn's Smoke Tree Lodge, have given indications of becoming a truly permanent member of our community as Mr. Tarr has purchased the lease on the Standard Station from Homer Gould. Mr. Gould and Geo. Gibson, who assisted him, have given over the operation of the station to Mr. Tarr and from the energy displayed, it would appear we have a real acquisition in our village. We wish all success to a new member of our small group of business men.

Last week I went to a very nice little dinner party given by Mr. and Mrs. Chester Ide at their recently completed ranch home. I shy at mention of social affairs of a private nature but I was impressed with the wealth of ranchers. That is we eat to live (I hope) and by their industry they live very well. I doubt if they ever have to say as we do when we peer in our ration books, "Surely I had more stamps than that." A wonderful dinner with all items of importance from their own place.

Mr. and Mrs. Willard Price were there and while there was little said about his new book that will shortly be off the press and has to do with the great island area of the Pacific where we have fought, are fighting and will fight. Likewise he made no mention of the large number of his articles that have recently appeared in various national magazines.

Mrs. M. A. Clark of Portland, Oregon, came south to visit her daughter at Lompoc, and her sister in Los Angeles, and then came on out to the desert for a few days and while here was the guest of Mr. W. C. Wilkes. The Clark and the Wilkes families have been friends for very many years.

Carl Higgins, resident in this area for a number of years, and employed on the H. A. Snyder Date Gardens, has returned to work after a severe illness that required hospital care.

February Building Total Now \$1,435, City Hall Report

Two building permits, both issued Wednesday, added \$985 to the month's building total which is now \$1435.

Permits issued this week were to S. P. Maloof, 226 Morongo road, for a re-roofing job to cost \$350 and to W. Z. Allen for the Colburn properties at 315 North Palm Canyon drive for a re-roofing job to cost \$635.

So far this year 29 building permits have been issued for a value of \$7,030.50.

Los Compadres In Enjoyable Ride, Excellent Dinner

Members of Los Compadres club enjoyed a moonlight ride last night out into the desert east of the Racquet club, sitting down to a noble dinner prepared under direction of Beelie Moseley, assisted by Ruth Owens and Harriet Carr.

Secretary Jimmy Cooper reported that in recent weeks the club had added many new members and that club membership now totals 51 active members with 12 more in the armed forces.

Palm Springs USO Council Meets to Talk Over Plans

Palm Springs USO council, Gordon Feekings, chairman, met Tuesday morning at the USO Hospitality House, Tamarisk road to discuss plans for the future and review the successful third birthday party of the week before.

Plans for active participation in the Valentine dance to be staged Saturday night at the Hospitality house were discussed and a committee named by the Lions club will assist Mrs. Eloise Hirt, director, with special refreshments.

No Blame Is Fixed By Coroner's Jury In Fatal Collision

A coroner's jury which heard evidence at the inquest conducted by Coroner Ben White at Banning Saturday into the death of Charles F. Mero at Windy Point late Thursday night, returned an open verdict to the effect that the Los Angeles man came to his death from injuries received in an automobile collision.

Mero, vice-president of Bayley, Martin and Fay, Inc., Insurance Engineers, of Los Angeles, was driving toward Palm Springs when his car swerved at the dangerous Windy Point turn and crashed head-in with a north-bound automobile driven by Mrs. Truman Nichols of this city.

Both cars were practically demolished. Mero was almost instantly killed and his woman companion, whose name has not been given out, was seriously hurt. She is at Torney General Hospital.

Mrs. Nichols was also seriously injured, suffering numerous abrasions and cuts and a fractured right arm. She is in St. Bernardine's hospital at San Bernardino. The accident occurred at approximately 10 o'clock Thursday night.

Here's an all-year-round systematic savings plan that fits your need and fits your budget. You start your account for \$1, \$5, \$10—or for any amount which you can deposit regularly each week, semi-monthly, or monthly.

The important point of the plan is this: You decide at the start on a particular amount to deposit, and you make 50 regular deposits of that amount. In this way your Thriftplan account helps you to develop savings discipline and the habit of making systematic deposits—the real secret of successful saving. If necessary, however, a Thriftplan account can be closed at any time. To make 1944 a prosperous year for you, open your Thriftplan account as soon as possible.

Third of Sermons On The Church to Be Given Sunday

Next Sunday at St. Paul's in the Desert, Episcopal church, the Rev. Robert M. Hogarth, vicar, will preach the third of the sermons on the Church as "The Body of Christ, the One Church."

Sunday, Feb. 13, will be observed as "Sexagesima," or the sixtieth day before Easter as it was known in ancient times.

Confirmation classes, in preparation for the coming of the Bishop, the Rt. Rev. Bertram Stevens, on March 19, are being held Thursdays at 3:30 p. m. in the vicar's study for young people and for adults on Thursdays at 5 p. m.

Topic of all lectures is "The Book of Common Prayer, its History, Contents and Use."

Much interest is being shown and some, who have long been members of the church, are renewing their previous instructions.

Susanne Williams, formerly of Palm Springs high school, and now attending Stanford University was recently made a member of Pi Phi sorority, according to word to friends here. The family were former residents of the Village.

"I will greatly rejoice in the Lord, my soul shall be joyful in my God." This declaration from Isaiah will be the Golden Text in the Sunday Lesson-Sermon on "Soul" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

In Matthew's Gospel it is recorded that when Jesus came into Galilee "great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them." Mark states that they brought to Jesus for healing "one that was deaf, and had an impediment in his speech; . . . And looking up to heaven, he sighed, and saith unto him, Ephphatha, that is, Be opened. And straightway his ears were opened, and the string of his tongue was loosed, and he spake plain."

Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "Sight, hearing, all the spiritual senses of man, are eternal. They cannot be lost. Their reality and immortality are in Spirit and understanding, not in matter, hence their permanence."

St. Paul's Guild Votes Memorial to Miss Newberry

Members of the Guild of St. Paul's in the Desert met Tuesday at the home of Mrs. John M. Hobson. The hostess, Mrs. Myron V. Wilson, served tea after the business meeting.

A tribute to the memory of Miss Florence Newberry, educator and active church worker, who recently passed away, was read by Mrs. Wilson and the Guild voted a contribution toward the maintenance of a bed in the Good Samaritan hospital, Los Angeles, as a memorial to Miss Newberry.

Next meeting of the Guild will be held Shrove Tuesday, Feb. 22, at the home of Mrs. Emil Wagner, 591 North Belardo road. This is to be a pre-Lenten tea.

Museum Notes

By T. D. A. Cockerell

Plant galls are growths on plants, due to insects or mites, which affect the plant tissue in such a way that the plant produces a swelling which may be so small as to escape notice; or it may be very large, such as the oak-apple, so-called, found on our native oak near Palm Springs. This gall is round, as big as a small apple, and at the right season of the year will be found to contain small grubs, which turn into gall-wasps, which emerge through the holes they make in the gall. A specimen in the museum has these holes, showing that the wasps have escaped. Also in the museum may be seen the large round gall from the creosote bush; from these, minute gall-flies may be reared. On the mesquite may occasionally be found small aborted fruits, caused by a small midge.

Many other kinds of galls are to be found, and it is probable that several sorts new to science may be found in this region. The question has been raised, are the galls of any use to the plants? They are not, except that it is better to produce a gall, in which the parasites live, than to have the insects burrow in the stems and cause them to die. When raising the insects from the galls, one often gets also very small black or green insects which are parasites of the gall insects. In Europe and Asia, certain oak-galls, because they contain a great deal of tannin, are used in the manufacture of ink. They have also been used in medicine, on account of their astringent properties.

Pay your telephone bill before the 30th and receive a discount.

Harkness Concert Pleases Throng At Community Church

A capacity audience heard the sacred concert last Sunday night at the Community Church, presented by Prof. Robert Harkness, noted composer of many famous hymns.

Many of the favorite old hymns and other sacred numbers were played by Mr. Harkness, but the feature of the concert was the composition of a hymn from a verse of the Bible selected by the congregation.

After Prof. Harkness had written the hymn around the selected verse, the large congregation learned it and sang it to his accompaniment.

Annual Roll-Call By States Sunday At Village Church

The annual geographical census at the Community church will be taken next Sunday, Dr. J. R. McCartney, pastor, announced this week.

As in the past, the roll call of states will be called and natives of the various states will stand to be counted as their state name is announced.

Last year, 38 states were represented in the census with Illinois taking first place with 19 natives present, Pennsylvania second with 14 and Iowa third with 10.

"Everyone in Palm Springs is invited to be present for this census," said Dr. McCartney.

Annual Silver Tea Of Women's Guild Scheduled Feb. 22

One of the delightful events of the pre-Lenten period is the annual Silver Tea given by the Women's Guild of St. Paul's in the Desert, Episcopal church. This year the tea will be held on the afternoon of Tuesday, February 22, at the home of Mrs. Emil Wagner, 591 North Belardo road.

Mrs. Wagner will be assisted by officers of the Guild. Tea will be served from 3 o'clock. A silver offering will be taken.

Interesting Film At Church Sunday

The moving picture to be shown next Sunday night at the Community Church is entitled "The Journey Into Faith," Dr. J. R. McCartney, pastor, said today.

"It is a stirring picture and tells a powerful story," said the minister.

Night Riding Class Is Now Under Way

Night riding classes for adults are being started this week by the Rancho Stables under direction of Mrs. Frances M. Ingram who is instructor for school children classes each afternoon.

These night classes are the result of many requests from those who enjoy this sport, said Mrs. Fred Johnson, who with her husband own and operate the stables. They also own and operate the Big Bear Boys' Camp at Big Bear.

Noted Veterinary From Chicago And Wife In Village

Dr. and Mrs. George T. Harz are in the Village to spend a few days at the new home they bought here last June. They have been trying to get out to Palm Springs since last fall and finally made it the last day of January. They will return to Chicago next week but will be back in June.

Dr. Harz is a noted veterinary in Chicago while Mrs. Harz (Dorothy Eagles) is known for her work in the North Side Animal Shelter which she founded. She is much interested in the work of the Animal Shelter here.

Dr. and Mrs. Harz have been visitors in the Village for the past eight years and last June bought a home at 461 South Palm Canyon drive.

Right now they are interested in finding a home for a stray dog

Local Exclusive Shop Included in Big Store Merger

Bullocks, Palm Springs, will become a part of the largest system of exclusive shops in the west when the merger of Bullocks stores and I. Magnin stores becomes effective.

The merger is of much interest in Palm Springs where Bullocks has maintained its smart shop on the Desert Inn grounds for the past 15 years and I. Magnin's maintained a shop at the El Mirador until its conversion into Torney General Hospital. Eight Bullocks stores and four I. Magnin shops are involved in the merger.

Harris Posey is manager of Bullocks, Palm Springs.

Still Opportunity to Contribute to March of Dimes

Have you contributed your share toward the never-ending battle against Infantile Paralysis?

Mrs. Charles Burket, chairman of the March of Dimes in Palm Springs, said that many people had the impression that they could no longer send in money, that the drive was at an end.

She said, however, that contributions are still coming in and that any who want to aid, may still do so by sending their contributions to her at 1560 North Palm Canyon drive.

To date almost \$600 has been sent in, well over last year's total, but the need is still great, Mrs. Burket said.

Honor Roll Lists Leading Students of Library Period

Coincident with the issue of grade cards for H. S. students, Miss Julia Webber, library-study teacher, has released an honor roll of students who have manifested commendable study habits. This honor roll is based upon demonstration of initiative, industry, promptness, efficiency, concentration and self direction.

The following people were put on the honor roll published this week: Betty Ayers, Geri Boyer, Gloria Bruce, Pat Bryce, Art Bushnell, Barbara Croft, Kathryn Croft, Wendell Delano, Barbara Dodds, Eugene Dirnberger, Frank Featherston, Violet Fletcher, Warren Gallagher, Jean Gilmore, Bernardo Hernandez, Carolyn Hogg, Pat Holderman, Leona Jenner, Arthur Jurado, John Klug, Robert Kramer, Leona McDowell, Baudelio Macias, Mary Ann McGovern, Julie McNeely, Joyce Maloof, Herbert Mennell, Colleen Moore, Dick Moseley, Erica Orth, James Partridge, Mildred Potter, Rosemary Pratt, Lester Smith, Nancy Lee Spore, Cora Strout, Dolores Vallier, Helen Williams, Mildred Woolhouse.

The above people are commended because they have shown good personality traits in their study periods. The list of traits on which the students are graded was taken from biographies of famous people.

A list of traits is placed next to the honor list in the library so that the students may read them. The things Miss Webber grades on are: (1) ideals of the students, (2) integrity and honesty, (3) cooperation and friendliness, (4) self-control of the student, and (5) the work habits of the students, whether considered from the point of view of accuracy, neatness, or efficiency.

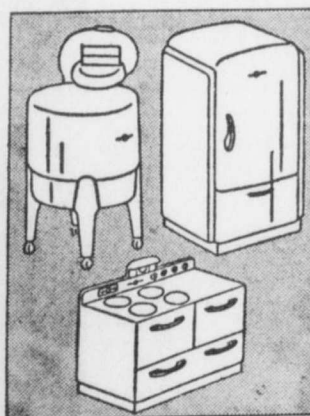

The roll just released is the third honor roll Miss Webber has made this year. Each grade period she plans to make a new honor roll, so that more students will have a chance to make the next honor roll.

GAZZOIT

(By "CECIL")

Greetings and Salutations!!!

This is your Gazzozit reporter writing down the week's happenings as seen through the bullet-proof windows of the Maroon and White observation post on top of the front building. (Oh, so you've never seen it? Well, you haven't got anything on me.)

As another hard week drew to a close, everyone was rewarded by the swell basketball game here Friday. Once again we came out on top. (And as Barbara would say, "Ah, Zeke, high point man again.")

Did you know that Nancy Lee Spore changed her name last Saturday in Yuma? She is Mrs. Frank McCann now. The lucky man is a private in the Army.

Sally finally broke down "J. B.'s" reserve last Friday night. Good work!

Van Linkletter was in town over the week-end. Nothing more should be said, but we wonder why some people don't try the other side of the street for a change.

Scandal has disgraced our school!!! Bob Dart was strolling across the lawn holding "Daisy's" hand. Guess we know about you!

Speaking of Dart, he's been keeping pretty steady company with that well known box office gal, Pee Wee.

New faces around school: Trudy Van Dasen came last week and has already made a hit with P.S.H.S.'s Casanovas.

Lurline Troyer and Clara Jane Lyter.

Speaking of Clara Jane, it's reported she caused quite a stir when she walked into Algebra II last Friday. That class wasn't co-ed until then.

Edward Hickey, new inmate, came in Monday and proves to be competition to the local wolves.

Earl Hough gave a swell dinner for Bill Foster at the Colonial House Thursday night.

Among the guests present were: Bill with Toni Lowe, Jo King and Dick McGonagle, Mr. and Mrs. Phil Prouty (Donna Reed) and Mr. and Mrs. Hough.

Toni, Jo and Dick took Bill and "Cow" Wallace to L. A. afterwards. The fellas are in "boot" camp at Farragut, Idaho now.

We all wish to pay tribute to these two fellas. And also to wish them the best of luck.

The Junior Valentine dance was a big success. Everyone had a swell time.

Did you ever see anyone like Dart, when it comes to raising money?

Doris and Gil wrote finale to their going steady days. Neither of them are wasting any time getting back into circulation.

The little black V-8, more commonly known as the property of one Bob Lienau, carried quite a coincidence last Friday night. There's nothing unusual about seeing Bob and Trudy in it, but another couple with the same handles proved confusing. They were accompanied by Bob Hoover and Trudy Van Dusen.

Bobby Jones showed very good taste in taking Barbara Smith to the Valentine dance.

Jo went to Berdoo again this week-end, and reports a good time. Hear Dick waited until 10:30 for Jo to pick him up Friday night.

Johnny Downs, USN, was in town this week-end. He was at the dance with Helen Louise.

Also saw Sid Sanard strolling down Main Street with Bettie Neese.

Hear about: Inman going out with Colin. The only catch is, she had a date with Hoover first.

Speaking of Hoover (again) a very reliable source tells us that he shaved Friday night, while Barbara was seen with an inmate of the Green and Gold?

Surprised looks: When Joe,

Indians Chalk Up Third Basketball Victory of Season

(By BOB LIENAU)

The Indian hoop team chalked up another victory when it defeated the Banning Bronchos last Friday afternoon on the local courts. The score was very lopsided. It read: Palm Springs 33, Banning 20.

It was precision and teamwork that gave the Palm Springs team an advantage over the Banning five. It was evident from start to finish that the Indians were superior to the Bronchos.

During the first quarter, the Indians got a good start towards victory. At the end of the first period the Indians led the Bronchos 13-6. The second quarter was a close one as the Indians scored only three more points. At the end of the first half, the score read: Palm Springs 16, Banning 10.

INDIANS COME BACK

With a lot of "fire" and enthusiasm, the Indians came back in the third quarter and jumped the score up to 27-11. At the end of a hard fought game, the scoreboard read: Palm Springs 33, Banning 20.

Much credit should be given to Gallagher, Sandeffer and Smith. Their teamwork was excellent and was one of the main reasons that brought the local team to victory.

Zeke Gallagher, center and high point man all through the season, was high point man again. Gallagher scored 12 points in this game. He has made 98 points during the season.

The starting lineup was:
Palm Springs Position Banning
Sandeffer 7 RF Martinez 2
Smith 6 LF Black 10
Gallagher 12 C Hemmerling 7
Jurado 4 RG Martin 1
Lienau 2 LG Krause

LOSE CLOSE ONE

The Palm Springs "B's" came out of their game with a "morale" victory. The Banning five defeated them 12-11. This was the closest game the B's have played this season. It's very evident that they are determined to show the students of P.S.H.S. that they have a winning team.

Warner Moore, lanky center, won high point honors. Moore scored six of the 11 points made by the Palm Springs team.

The starting lineup was as follows:

Palm Springs Position Banning
Williams 1 RF Malcolm 2
Ashley 2 LF Germain 2
Moore 6 C Milton 2
Ulmer RG Stanfield 4
L. Smith LG Woods

Today is an exciting one for the varsity team. They play Coachella on the latter's courts at 8:00 P. M. This game determines who will be the East Riverside County League basketball champions for the "44" season.

For the past three years the Indians have been second place winners in basketball. They are determined to have the first championship basketball for Palm Springs high school.

Zeke and Smitty walked out of Civics Monday morning.

What fella has lost three tie pins in the past week? They're all over town. (The tie pins, I mean.)

Best dressed girl of the week: Babs Neel at the Valentine dance. Babs wore a yellow suit with red accessories.

Best dressed boy of the week: Bob Fern in brown pants and a brown loafer jacket. Fern is now known as the King of Plaids. Incidentally, this best dressed couple turned up together at the dance.

Seen around town: Colleen Moore and Warner, comparing last names at the dance. . . John Outcault and Julie Martineau at the dance. . . Hobson and Diana Robb there too. . . Bell and "Little Hogg," and Phyllis Renville and Bill Carey tripping the light fantastic, (or just tripping).

Don't forget the basketball game in Coachella Friday night. If we win, we'll be tied for the championship of the E. R. C. League with Beaumont.

The Juniors are giving a skating party at the rink on February 22. Make your plans now!

The G.A.A. and the Girl's League are sponsoring a dance March 17. Don't forget this date, and don't forget to make a date!

This is your reporter drawing the blinds of the observation tower. See you next week.

Three Boys Added to Mid-Year List of H.S. Graduates

This year a total of nine Seniors were graduated at mid-term. This is unique of P.S.H.S. because heretofore not more than one or two students have received certificates of completion at mid-term. All students who finished in January received the required credits for graduation.

Formal recognition of completion of high school was given to six girls, Pat Bryce, Donna Crockett, Pat Holderman, Barbara Knowles, Martha McCann, and Bettie Neese, at a semester-end assembly held in January. At that time the three boys had not presented themselves as candidates for graduation.

ANOTHER ON LIST

Although he has not received his certificate of completion, Art Bushnell is another of the mid-term graduates. Art was unable to take his tests with other students prior to the end of the first semester, due to illness, but he expects to complete his work within the next week. A major in Science and English, Art was a member of the Scholarship Society for two years. His records show him as a very active member of his class since entering P.S.H.S. in 1940. This year he was elected secretary of the Senior class. Art says his favorite past-time is working with his classmates on plays and skits for the class assemblies.

Bill Foster, who entered P.S. H.S. with his class in 1940, is another of the boys who graduated after completing their work in 3 1/2 years. Bill was president of the class in his Freshman year, and due to his good work, was elected president of the Junior class last year. Due to his will to win, Bill became a three-year letterman in football, and basketball. Described by his team-mates as a good sport and a tough opponent, Bill was chosen to be their leader last semester as Big Chief of the Tribe, president of the Letterman's Club, and captain of the basketball team. When Bill's number came up in the draft, Coach Wood Glover asked the boys if they wanted to elect a new captain. "No," replied the boys, "Bill is gone but he is still our captain." Inducted in the U. S. Navy Friday, February 4, he is now stationed at Farragut, Idaho.

ACTIVE IN ATHLETICS
Another member of the mid-term graduating class is Nick Mutascio. A native of Palm Springs, Nick has attended Palm Springs schools except for his first year when he attended a New York school. Nick was very active in athletics and also became a three-year letterman. He fulfilled a program of four years of football, four years of track and two years of basketball. Due to his ability to run between the men of the opposing team, Nick was often the ball carrier for the Palm Springs Indians. It was during one of these plays, in a game last year, he received a severe blow which broke some of his ribs. This year he had the misfortune of breaking his finger in another football game. Nick was elected Little Chief of the Tribe last year; Big Chief of the Tribe, and Commissioner of Boys' Athletics this year. Nick says the greatest joy of his life was when he was chosen by the Lions Club to represent Palm Springs at Boy's State this past summer. He is to be inducted in the U. S. Army, Friday, February 18.

THE GIRL OF THE WEEK:
The girl of the week was born in New York City, on Friday, November 13, 1925. When you look into her eyes you will find they are of a blueish gray. She has light brown hair. From the top of her head to the tip of her toe she is five feet, five and one-half. If you want to believe it, she says she weighs 130 pounds. She likes to ride bareback better than anything else. Her favorite food is a nice big, thick juicy steak, and the next favorite is apple pie.

From the entertainment point of view, she likes to go to the Palladium and hear Woody Herman and his band. Her favorite records are "Blue Rain" by Glenn Miller, and "Embraceable You" by Jimmie Dorsey. She says her love life is a military secret, so all of you wolves are out of luck.

You will find this girl most of the time with Barbara Dodds, Edith Taylor, Bob Fern, "J. B." Emigh.

If you do not know who she is by now I would like to introduce you to a swell girl—Jean Gilmore.

THE BOY OF THE WEEK:
This lad needs little, if any introduction, but for you new kiddies of the campus, I'll describe him and later introduce him more formally.

He was born in Detroit, Michigan, May 3, 1927. He stands 6' 1" (so he tells me) and is the "light-weight" of the campus. (Big joke.)

You've probably already noticed he's a lover of red, because he is invariably wearing that red tie and socks to match to all the Junior dances. He likes red so well, he swears he's going to have a red suit made for himself. (On him it might look good!)

His favorite drink ties in with his favorite color scheme, because it's a Red Rooster. In case you'd like to concoct one you use grenadine, gingerale and limes. (Doesn't sound so bad.)

Yes, he, too, is a hamburger fiend.

Comedies set best with him. So "The More The Merrier" was his favorite and Jean Arthur is his favorite actress. Top honors for a male comedian go to Pepsodent Bob Hope.

Being a Sinatra fan, he treasures his recording of "My Ideal." (No swooning, however.)

Speaking of ideals, his is the little brunette who sits in the box office of the Palm Springs Theatre. (Yeah, it's Pee Wee.) He spends his evenings hanging around the theater waiting for 9:45 to come (that's when the box office closes).

Not that he is prejudiced or anything like that, but he confesses that Mrs. M. is his favorite teacher. (PLUG!)

He is known for his big parties and is sponsor of the "Monday Night's Club."

This fella goes in for the less strenuous sports like badminton and swimming. (Not that I blame him with a pool like that!)

He finally confesses he had a

P.S.H.S. Starts New Magazine With Student Authors

Early last fall, Mrs. Kathryn Martin asked the teachers to select the best writers from the different English classes, to help her start a magazine for the school.

Publication is now assured. It will contain short stories, poetry, picturesque speech and patter. All copy is written by high school students. Sallie Lockett wrote an interesting story about typing called, "Blood, Sweat, and Swear Words." Other stories have been written by Gillar Boyd, Carol Burket, Robert Dart, Bob Hoover, Polly Gnagy, Frank Featherston, Barbara Knowles, and Martha McCann.

Some poetry for the magazine has been written by Harvey Gorcator, Barbara Dodds, Joyce Maloof, Maureen Roybark and Carol Burket.

Mrs. Martin hopes to have this magazine published twice a year, first issue to be released in a week and the second at the time the "Chia" will come out.

Students who have any suggestions for a title for this magazine are asked to see Mrs. Martin.

Dr. Yu-Shan Han Talks On China At Student Assembly

Pointing out contrasts between the student of America and the student of China, Dr. Yu-Shan Han entertained the high school in his talk to an assembly held Thursday, February 3.

Dr. Han talked about the difference between the life of a schoolboy in China and that of a student in America. The definition of a student in China, said Dr. Han, is "a-learning-to-live-person."

DESCRIBES CEREMONY

Dr. Han recalled that during his first day at school, he performed one of the first acts a Chinese child is taught. All clammy-handed and stiff around the collar, he walked up to a large painting of Confucius, carefully placed a candle in front of it, and lit the candle. Then he prepared and burned a package of incense. Now he was a "a-learning-to-live-person."

One of the quaint characteristics of the Chinese are their methods of showing directions. Americans point directions with the top of their heads, whereas the Chinese motion with their chin.

PRESENTS RECITATION

Dr. Han concluded his very enjoyable talk by giving a Chinese recitation.

He procured a B. A. at U. C. L. A., also a Ph. D. at Yenching University. Between 1928 and 1937 he has held positions as instructor at Boston University, Associate Director of National Association of Mass Education Movement in China, Professor of History and Government at St. Johns University.

Oh, I almost forgot to tell you he is a member of the up and coming Junior class. In fact, he is president of the class. He is also Keeper of the Tomahawk in the Tribe.

CONGRATULATIONS
The students of P.S.H.S. are to be congratulated on their excellent showing in the Fourth War Loan drive.

Palm Springs High's goal was set at \$150,000.00 We can proudly say we went over the top.

Many long miles have been walked and many door bells rung by the students in their effort to reach this goal.

Because Palm Springs has no War Plants or other war jobs, the students at P.S.H.S. have been handicapped in helping directly in the war effort.

This Bond drive was all they needed to prove their willingness to serve, their ability to serve, and their patriotism.

When this chance of a life-time came along, the students entered into it with a great determination and zeal. The results are highly gratifying.

This does not mean, however, that we can let down and stop trying. There are still more bonds to be sold and more time to sell them in.

We have until the fifteenth of February to go. Individual prizes and class competition continue until then. If we stop now, some one else may continue selling and we will find ourselves losing the prize we thought was "in the bag."

We have reached the grand total of \$161,156.50. Let's try to make it \$200,000. We can if we try hard enough.

—Margaret Walker

Junior Class Puts Its Treasury In Fine Shape Early

If persistent effort and enthusiasm spell success, as is often said, the Junior class is assured of grand achievement, especially for its Junior Prom for the year.

The Juniors have put on their fourth dance so far this year and all their "Hops" have been considered very successful by members of the student body. With aid from Bob Dart, class president, the Juniors have taken all preliminary steps to prepare for their traditional Junior-Senior Prom which is held early in May.

There is always a crowd of students at the Junior dances, one reason being that the class usually serves refreshments. This a good drawing card.

The last dance was almost a gold mine. The class netted \$20.

Another activity which the Junior class has the credit for is the hot dog and pop sales at the home basketball games. The students now wish that they could have had similar sales during football season. Bob Dart also had an active part in this project. The total net revenue on the season's hot dog sales is \$50.

Postwar Projects Studied By Sorum And City Engineer

J. F. Davidson, city engineer, was in Palm Springs early this week and with Ray Sorum, city manager, and P. M. Swart, assistant director of public works, made a survey of streets and other municipal property to obtain data to draw up a comprehensive improvement policy following the end of the war.

A list of projects which are needed and which should be handled immediately after peace and man power and materials are again available, will be drawn up as result of the officials' study this week.

New Equipment Is Installed at The La Cita Cafe

The La Cita Cafe announces that thanks to the war department's arrangement for a priority, the establishment has purchased and installed the latest type of broiler. The new broiler provides for the increased volume of patronage which La Cita is receiving.

Louis Thomson, owner, praises the broiler way of cooking. From a health standpoint as well as taste and appearance, he states, broiling is the recommended best method of cooking steaks, chops, chickens and other meats. Broiling enables meat to retain its natural juices, flavor, tenderness and aroma.

Nothing is the best thing to do in a hurry.

Lt. Maxwell Goes to Cincinnati to Attend Conference

Lt. Bob Maxwell, public relations officer of the 21st Ferrying Group, Ferrying Division, Air Transport Command, leaves this week-end for Ferrying Division headquarters in Cincinnati, Ohio, and upon his return here in a few days, S/Sgt. George Goodale, of the public relations office and editor of the air field's newspaper, Twenty-One, also goes to Cincinnati.

Lt. Maxwell is to attend a conference on Air Wac recruiting. S/Sgt. Goodale is to report in for a special mission which will be assigned him when he arrives there.

It was indicated that the Air Transport Command and the Ferrying Division will drive hard for Wacs inasmuch as many are now being used in the installations of those air force branches. New Wacs are arriving daily at the local air field and only this week Maj. Geraldine May, commanding officer of all ATC Wacs, visited them here.

wide code will be asked later, Mr. Sorum reported.

LARGEST MONTH

He reported that fees collected by the waste disposal department in January totaled \$2,016.47, the largest in any one month during operation of the department. Mr. Sorum paid tribute to the work of the employees in this department in his report.

He included Fire Chief Bill Leonese's January report which revealed that there were no fire calls in the month, compared with 6 in January, 1943, and no loss this year compared with \$1,810 in the same month in 1943.

FOR POST-WAR PERIOD

Mr. Sorum reported that, as result of a survey conducted over a period of time, he believed the administration should prepare now for a postwar program of badly needed improvements and listed as most essential:

1. Sewers
 2. Streets
 3. Flood control
 4. Improvement in the waste disposal plant.
- He included a secondary list of projects needed:
1. Additional jail facilities.
 2. Equipment building and yard, gasoline storage.
 3. All utilities underground.
 4. Modified street lighting.
 5. City hall.
 6. Additional fire protection facilities.
 7. Community auditorium.
 8. Parks and planting.

SEES BRIGHT FUTURE

In conclusion, City Manager Sorum wrote: "I believe that Palm Springs will become one of the most noted places of the world and that the extent of future growth is beyond comprehension in most cases. What has been accomplished in the past is merely the foundation for the building which must be done by each successive administration.

"I believe that every man who is elected or appointed to public office is charged with the responsibility of planning for the progressive development of his community. It is much wiser and healthier to plan and build for the future than to be satisfied with an effort to maintain minimum operative requirements."

It is said that many women use less than the 850 words of Basic English, but of course there's a terrific turnover.—Punch.

And was it fun to watch the wives! Said Mrs. W. L. Thompson, "First time Bill ever cut a cake in his life, I think, but he did alright, didn't he?" Believe me, he did! Col. Thompson wasn't content with finishing up one cake, he fell to on the next and the next with real vigor; in fact he kept so busy at it that he didn't get a piece for himself—had to clean up on the crumbs of one delicious chocolate cake when the table was bare.

TEACHERS LEND HAND

Across the pretty table (arranged by Holly Lash Visel and Mrs. Stanley Rosin) were the Stevens School teachers lending a hand and giving away advice to the dignitaries on the virtues of cutting in wedges or rectangles. You see, the teachers had a very special interest in the cakes, it was their announcements to the classes about our third birthday that brought all the cakes in for the soldiers. The troops said plenty of thank yous to them on Saturday night, but we want to add our appreciation also for the new angle on classroom work started by Lois Cook, Merietta Scarvada, Geraldine Hayes, Ruth Felberg, Mary Dean MacFarlane, Catherine Khury and Dorothy Smith. And a very special thanks to Miss Katherine Finchey for "cooking-up" the cake campaign.

Our only regret is that the makers of all the cakes were not there to see the desert men stalking around the birthday table, like hungry lions around a beef, while waiting for the official cutters to arrive. Our thanks to the mamas of Eddie Loring, Peter Berge, Earl Guild, Mickey McManus, Carol Malouf, Darlynn Posey, Pat Austin, Jackie Patterson, Johnny Mohler, Phillis Keipper, Barbara Jones, Samuel Elmore and to Gordon Feekings, Merrill Crockett, Johnny Devine and Laura Carey. Of course cake demanded coffee and that was made and served by the Red Cross Canteen unit with Mrs. Arthur Bordon, Mrs. W. A. Lippman, Mrs. Edward H. Maggard and Mrs. Irving Snyder.

USUAL SMOOTH JOB

Sgt. Bill Willard did his usual smooth job of emceeing, introduced our special guests and crowned another Sun and Sand Queen, Marilyn Osting from Inglewood, with the skillful help of ARM 1-C "Mike" Brennan—looks as if these "Queens" are going to be a weekly affair!

The whole shindig was well planned by the USO Council Birthday committee: Mrs. Holly Lash Visel, Miss Katharine Finchey, Mrs. Stanley Rosin and Harry Klonek.

Musically, the Birthday Ball was tops, too, for we had the popular 95th orchestra led as usual by Sgt. Herbert Peller, and the 95th Glee Club of thirty voices, under the direction of Sgt. Rundel. Norma Wycoff was back for a return engagement during the Songfest, which Mrs. Visel claimed was our very best session of group singing to date.

SUNDAY'S CONCERT

And speaking of group singing, we wish heartily that every citizen in town might have been at the Club Sunday afternoon to hear the eighty voice a-cappella choir from Redlands High School, directed by Wilbur Schowalter. They sang an inspiring "Live On America" series of nine selections, well known to most listeners, but re-discovered as the boys and girls sang them with such fine dedicatory fervor.

To complete the afternoon concert, the string quartet from the Desert Inn played three numbers—also "well known," if the sighs of satisfaction at each announcement were any indication, and also rediscovered through the original arrangements of Mr. Uzia Bermani, whose ears, we're sure, are still ringing with the shouts of "more, more, more." Thanks to Earl Coffman for highlighting our celebration with the four Desert Inn musicians. Mrs. Holly Lash Visel, music director for the Club, presided at the concert.

Darnell Acquires Corner Property at Arenas and Drive

John Munholland, local realtor, announced this week that Benjamin F. Darnell, who last week purchased the Vaughan Arms apartment, had acquired the northwest corner lot at Arenas road and Palm Canyon drive from Mrs. Emma J. S. Whitmarsh of Whittier.

The property is improved with a dwelling that was the home of the original Doll House cafe and adjoins the Vaughan Arms apartments.

It is the intention of the new owner to improve the Palm Canyon drive frontage with stores when material again becomes available.

Masonic Day Room At Desert Inn Now For All Soldiers

Members of the Masonic committee in charge of the new servicemen's headquarters maintained by the Masons of the Village at the entrance to the Desert Inn grounds, met Wednesday and decided to broaden the scope of the new day room and to make its service to the men in the armed forces more adequate.

So it was voted to extend the use of the quarters to all men of the armed forces, not merely Masonic members.

To assist in these broader activities, the following were named Chairman of the Day and will be on hand to help service men on different days:

Saturdays—George B. Davies.
Sundays—Dr. Sid Niles.
Mondays—Francis F. Crocker.
Tuesdays—John Mulholland.
Wednesdays—A. V. Linkletter.
Thursdays—John Hormel.
Fridays—Frank Camp.

On the committee looking after the Masonic servicemen's headquarters are M. Van Cleef, George B. Davies and John Archibald.

They have extended an invitation to servicemen to avail themselves of the room, to write, read or play games.

Popular Marcus' Cafe Purchased By Fendler, Coble

One of the most popular eating spots in the Village, Marcus Cafe, 370 North Palm Canyon drive, will change hands a week from Sunday when the new owners, Allen Fendler and Ferdinand Coble, take over. Vi and Marcus Caro, present owners, who made the cafe notable with Villagers and visitors alike, announced the sale last week. Billie Wright, realtor, negotiated the sale.

Fendler and Coble are both well known in the Village. The former was manager of Barney's cafe for some time and will personally direct the management of the cafe. Coble has been a Villager and property owner here for many years.

Mr. and Mrs. Caro, expressing their appreciation to their many friends and patrons, say they have no business plans for the duration. They have operated Marcus' at its present location for three years and prior to that, for

Village Soldier Hero of Beachhead Says U. P. Writer

Robert Vermillion, United Press correspondent, representing the combined United States press on the Fifth Army beachhead, last week wrote of the heroic work of a medical corps man who gave his home address as Palm Springs — Pfc. William Bloxom, 22.

According to Vermillion, Private Bloxom and two other medical men tried to rescue some wounded on the crest of a hill where they had been mowed down by German gunfire.

A party of 45 combat engineers had set out to try to protect a number of American Sherman tanks that were bogged down in the mud. Watching their every move, the nazis killed seven and wounded fifteen before the party pulled back.

One lone medical man, a red cross plainly marked on his helmet and in full view of the Germans, stayed to tend a wounded comrade and was mercilessly ripped to pieces by enemy gunfire.

None of the three men who made a second try to aid the wounded were armed. Vermillion said that the Germans did not fire immediately, letting them evacuate wounded men.

"Then they started sniping at us while we tried to pick up the others," one reported. "I stood straight up and faced them and pointed at the red cross on my left arm. A bullet whistled past my ear, then machine guns opened up. We had to go away."

Capt. Harry Plymire Reports At Carlsbad

Captain Harry Lawson Plymire has reported for duty at the Carlsbad Army Air Field, Carlsbad, New Mexico, according to word received here today.

He is the son of Mrs. Annie F. Plymire, 274 West Alejo.

Capt. Plymire is a graduate of Stanford University, and was commissioned directly from civilian life in May, 1942, at Palm Springs.

Organization of V.F.W. Post Here Begun In Village

C. B. Self and Sgt. H. R. Hinkley this week started preliminary plans for the organization of a Veterans of Foreign Wars post in Palm Springs and said that many Villagers were eligible.

Any serviceman who has served the United States in combat on foreign soil is eligible and the post is open to veterans of both World War I and World War II. Veterans of the Spanish-American war are also eligible.

BY HARD WORK

"We appreciate that you have not obtained this certificate easily. Its acquisition has cost you time and inconvenience and its reward to you will be the comfort, solace and happiness you give to others. On behalf of the Surgeon General of the United States Army I am happy to accept this class of Gray Ladies for service at this general hospital, and also for service at any military installation."

Participating in the formal ceremony which was also the occasion for presentation of one year service stripes to Gray Ladies who have been on duty with the armed forces for a year were Miss Ellen Pangle, Executive Secretary of the Riverside County Chapter who gave the introductory talk; Mrs. Montgomery Blair, Jr., chairman of Volunteer Special Services in Palm Springs, who brought greetings from the National Director of Special Services; Mrs. E. M. Bonnett, Jr., chairman, Riverside County Chapter, Hospital and Recreation Corps, who presented the class for certification and awarded pins; Miss Vera Wilkeson, Field Director, American Red Cross, who presented the graduates to Lt. Col. Thompson for acceptance into service at the Hospital, and Mrs. Edith D'Eliscue, chairman, Riverside County Chapter, who awarded first year stripes. Valued by Lt. Col. George C. Pearson, Post Chaplain.

THE GRADUATES

Members of the graduating class were Meses Franklyn Alcott, Elbert Brock, Theo. R. Cadwalader, Norman Clendenen, Alice C. Guthrie, Harry Hanbury, Barney Johnson, Marion Miles, Virginia Mohler, Harold Murphy, Frank A. Purcell, Agnes W. Reeves, Stanley Rosin, M. E. Schwab and William Stern.

Those who were awarded service stripes were Meses Philip L. Boyd, Bacon L. Clifton, Francis Crocker, Merrill Crockett, Earl Gibbs, Charles S. Henderson, Lawrence Hohl, Cosette K. Kellogg, W. Lee James, Walter McManus, Hortense T. Murray, Culver Nichols and Frederick Watson.

Forest service parachute crews with their so-called smoke-jumpers will remain in service, although the forest fire season is over.

Republicans Lead In County; 32,791 Voters Registered

Registrations of Riverside county voters to February 4 totaled 32,791, according to tabulations compiled by County Clerk G. A. Pequegnat. This is a gain of 725 over the total for January 1, 1943, when registrations totaled 32,066.

Registrations in November, 1942, were 48,632 and in November 1940, hit an all-time high of 54,300. The current registration total represents the lists as they stand after removal of the names of voters who failed to vote in the primary of August, 1942, or the general elections the following November.

Present voting lists show that, as was the case last year, Republican registrations outnumber Democratic, the figures being: Republican 16,347, Democratic 15,340. The figures one year ago were: Republican 16,046, Democratic 14,965.

Registration figures for November, 1942, before the so-called "purge" of the lists, were divided as follows: Republican 21,961, Democratic 24,800.

The present registration figures, as to city and county, are as follows: City—Republican 7,580, Democratic 4,907. County—Republican 8,767, Democratic 10,433.

In November of 1942 the figures were: City—Republican 9,782, Democratic 7,111. County—Republican 12,179, Democratic 17,089. Totals were: Republican 21,961, Democratic 24,800.

His Share

A United States battleship commanded by Admiral Dewey once lay for a time in the harbor of Genoa, in Italy. Visitors were allowed to come on board at all times except Sunday morning, at which time inspection took place.

One Sunday morning, a blunt-spoken, domineering American arrived aboard his yacht, and, ignoring the protest of the sentry on duty, boarded the battleship. Hearing the argument, Dewey came forward, explained that the ship was not open to visitors at the moment, and asked the yachtman to leave.

"No sir, I won't go," the man replied. "I am an American citizen, and I have a perfect right on this vessel. I pay taxes in America; I am on my own property; part of this ship belongs to me."

Dewey took out his pen-knife, stooped down, and cut a tiny sliver of wood from the deck.

Handing the splinter to the visitor, he said, "There, that's about what you own, please take it and go."

Bond Drive Will Go On Until End With Full Vigor

Chairman Tom Holland of the Fourth War Loan committee this week sent a telegram to President Roosevelt advising him of the great work the Village had done in the bond campaign and that after reaching the \$400,000 goal, had doubled its quota and set a new goal of \$1,000,000.

In reply he received the following telegram from the president's office:

"Congratulations to your committee and the citizens of Palm Springs on outstanding support in the Fourth War Loan. We are glad to know you have set a new goal. We wish you continued success during the remainder of the drive and hope that particular emphasis will be placed on sales to individuals."

With the new goal in sight, Palm Springs seemed headed for new honors and fame today.

It was pointed out that while the goal had been surpassed twice, now was not the time to relax.

"The boys on the beachheads in the South Pacific or before Rome didn't relax when their initial objective was reached. They couldn't. They kept right on moving instead of stopping to wait for the next drive," said one committeeman. "We can't and won't stop either. We'll go on to the end of the campaign—just as our boys overseas are going on."

"Villagers have again thoroughly demonstrated that they are backing the attack and—in line with the Fourth War Loan slogan—are letting Hitler and Hirohito 'have it'."

last battle together on the Pacific, will be shown at the premiere.

It is a wonderful picture and although patriotism, war and tragedy play a part in the picture, it is primarily concerned with depicting the family life of clean-cut American boys and their parents. It is a picture for the whole family.

As announced last week, all purchasers of bonds since Feb. 3 are entitled to a seat at this production.

There will be no bond drive at the final events—they will be strictly in celebration of the great success of the local campaign, Chairman Holland said.

OPEN ALL CITY

Another important announcement was made by Chairman Holland this week. He said that the entire Village had been thrown open to the go-getting high school youngsters who originally were assigned to the residential section. He has lined up four prizes for the youngsters for bonds they sell between Feb. 9 and the end of the drive. An anonymous donor has hung up a \$25 bond as first prize and Bullocks Palm Springs, Carl G. Lykken's and the Palm Springs Drug company have offered \$10 purchase orders each to the next three leaders.

A flock of telegrams from county, state and national fourth war loan leaders has poured in on the local loan headquarters as result of success of the drive here. All congratulate Palm Springs on its outstanding success and urge that the good work be continued.

Individual bond sellers are still going strong. This week's prize goes to Mrs. Harry Hann, wife of Policeman Hann. She set herself a personal quota of \$25,000 and now has sold \$17,000 worth of bonds. Tuesday, she sold \$7,000 worth. She specializes in the smaller bonds so her list of customers is large and the time put in correspondingly long.

Mr. Holland reiterated his praise for the high school bond salesmen this week saying they had done a remarkable job and too much praise could not be given them.

Mr. Holland, at a meeting of the Palm Springs War Savings committee this week, was named permanent chairman of the war bond activities here, succeeding Harold Hicks, who has held the position for the past year. Mr. Hicks, who expects to be called by the army soon, resigned.

Man Arrested Here On Stolen Goods Charge Awaits Trial

Carl Cecil Martin, arrested here when stolen automobile tires and automobile parts were found in his possession, was in county jail today awaiting trial in superior court on charges of possession of stolen goods.

He was bound over for trial at his preliminary this week.

Los Angeles county police have placed a hold on him as they have a warrant accusing him of grand theft, auto.

High School Youth Is Struck By Car

Police were checking up on the license of an automobile which struck a high school student on Indian avenue Tuesday, slowed up and then went on.

The youth was knocked down but not seriously injured.

A felony warrant is being prepared against the driver, charging hit and run.

Gilbert Garza, who formerly was employed at Marcus cafe and who is now in the U. S. Army is expected home on furlough next week.

In Australia, government medical men supervise 48 casualty centers maintained at munition establishments; more than 500,000 examinations for industrial diseases were made during the past year, and 10,000 X-rays were taken.

C. W. Valentine Is Officially In Race For Assembly Seat

With the announcement of C. W. ("Val") Valentine as a candidate for nomination for the office, Riverside has at least one aspirant for the office of assemblyman from Riverside county at the primary election, which under recent legislation will coincide with the presidential primary on May 16.

A member of the California State Republican Central committee, for the past two years he has served as chairman of the membership committee of the Riverside county Republican organization, and in this activity was able to enroll a large number of members.

Valentine, who is 48 years of age, resides in Riverside, but spends much of his time in Palm Springs. In Denver he had a number of years of banking experience, and was engaged in newspaper writing and advertising.

While employed on a Glendale newspaper he served as a member of the board of governors of the Los Angeles Press club. He is a member of the Riverside Press Day club, the Institute of World Affairs, the Imperial Valley Highway association and a Masonic lodge of Denver, Colo.
